Magazine Board (2022-23)

We AITian always get delighted to see our college magazine, Srijna. It gives immense pleasure to witness the culmination of countless hours of hard work, creativity, and dedication that the Magazine Board (Magboard) has put into bringing this publication to life.
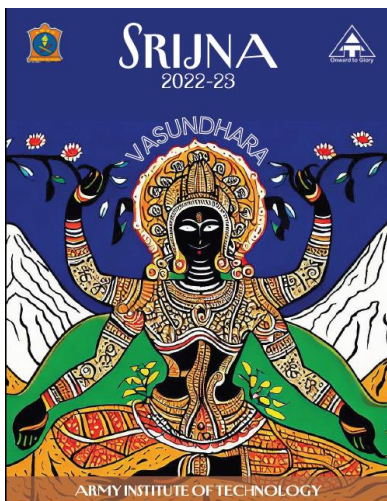

Srijna has always been a platform for our students to express their thoughts, ideas, and creativity. It serves as a reflection of our vibrant campus culture, capturing the essence of our diverse student community. This year, the magazine has once again exceeded expectations, showcasing the immense talent that exists within our institution.

We members of Mag board received great appreciation for unwavering commitment and exceptional efforts in curating and designing Srijna. The tireless dedication, attention to detail, and passion for the art of communication have truly made this magazine a masterpiece.

Srijna has provided a platform for AIT students to explore their literary skills, artistic expressions, and critical thinking abilities. It has become a forum for thought-provoking articles, captivating stories, breath-taking photography, and engaging artwork. Contributions from all have added depth, colour, and life to the pages of Srijna, making it a cherished keepsake for our entire college community.
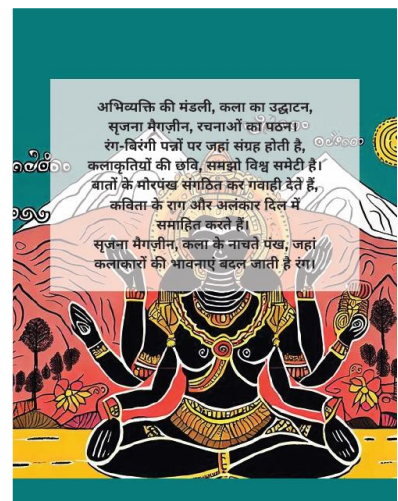

AIT faculty and members guided and mentored the students throughout the process of Publication of Srijna. Their expertise, encouragement, and support have been instrumental in nurturing the creative talents of our students and transforming their ideas into reality. Their dedication to the Magboard's vision has undoubtedly played a significant role in the success of Srijna.

Finally, Srijna team extend warmest wishes to all the students for their future endeavors. May the creative spirits continue to soar, and may out students continue to find joy and fulfillment in your artistic pursuits.

अभिव्यक्ति की मंडली, कला का उद्घाटन,
सृजना मैगज़ीन, रचनाओं का पठन।
रंग-बिरंगी पन्नों पर जहां संग्रह होती है,
कलाकृतियों की छवि, समझो विश्व समेटी है।
बातों के मोरपंख संगठित कर गवाही देते हैं,
कविता के राग और अलंकार दिल में
समाहित करते हैं।
सृजना मैगज़ीन, कला के नाचते पंख, जहां
कलाकारों की भावनाएं बदल जाती है रंग।
