

Department of Mechanical Engineering

Grants Obtained

Faculty Name	Project Title	Project Type Research/Consultancy	Funding Agency	Amount	Duration
Prof R B Gurav	Experimental Investigation on Buoyancy induced flow and heat transfer characterization in cavities	Research	University of Pune Board of college & University development (BCUD)	1,80,000/-	Two years
Prof S M Gaikwad	Experimental investigation of heat transfer and fluid flow analysis in different geometry such as straight /zigzag microchannel with and without Nano fluid	Research	University of Pune Board of college & University development (BCUD)	1,50,000/-	Two years
Prof R.B Patil	Development and testing of polymer matrix composite material for enhanced tribological and mechanical properties	Research	University of Pune Board of college & University development (BCUD)	1,20,000/-	Two years
Prof J D Patil	Experimental study of oscillating flow heat transfer in mini & micro channels	Research	University of Pune Board of college & University development (BCUD)	2,40,000/-	Two years
Total				6,90,000/-	-
