PROOF OF VALUE ADDED COURSES

2022-23

ARMY INSTITUTE OF TECHNOLOGY, DIGHI HILLS,
ALANDI ROAD, PUNE-411015

STANDARD OPERATING PROCEDURE FOR ALL
VALUE ADDED COURSES

ARMY INSTITUTE OF TECHNOLOGY

STANDARD OPERATING PROCEDURE FOR VALUE ADDED COURSES

Preamble

1. Value added courses (VAC) are the courses/workshops/activities which add value for personal & professional career development of student. These are courses over and above regular courses in the curriculum. These courses are required for students to acquire certain skills and practical knowledge which otherwise cannot be acquired through regular curriculum. These courses are useful to bridge gap between Course Outcomes (COs) and Program Outcomes (POs). The ultimate aim of these courses is to prepare students for good placement or higher studies or entrepreneurship career and bridge the gap between theoretical knowledge and industry requirement.

Aim

2. Aims & objectives of this SOP are :-
- To lay down procedure to conduct and monitor Value Added Courses.
 - To provide guidelines to charge amount of fees under VAC Fees head.
 - To lay down conditions for refund of the fees charged against VAC Fees head.

Procedure to Conduct & Monitor VAC

3. Each department will have a 3 member VAC committee with one coordinator and two members to monitor the VAC conducted for or undertaken by the students. One of the member of this committee will be departmental placement coordinator and other member will be in-charge of NBA criteria 2. This committee will prepare a plan for Value Added Courses to be undertaken by students based on feedback from TPO, Faculty members, Students, Alumni and industries. The plan should be ready before 31 January every year which will be executed from 1 July in that year. This will be required to decide the fees to be charged under VAC head. This plan will also be presented in IQAC meeting in the month of February every year.

4. Following activities can be planned under VAC:
- Relevant Online/MOOC courses from NPTEL/Swayam/Coursera etc. These courses may be chargeable or free but should have certification. This can also include prescribed audit courses in the syllabus.

year and if the student fulfills the minimum requirements for each year till final year he/she will become eligible for refund otherwise the VAC fees of the corresponding year will not be refunded. The non-refunded amount will be deposited in AIT Innovation Seed fund.

Conclusion

12. The SOP for value added course will help in streamlining the conduct of value added courses and bringing uniformity in their conduct all across the departments.

- b) Relevant offline course designed by department which can be conducted by renowned agency or trainer. This should have proper schedule of course delivery and progressive assessment.
- c) Relevant hands-on session or workshop or Boot camp or similar activity which can be conducted by renowned agency or trainer.
- d) Amount to be charged for Professional Society membership such as ISF/CSI/IE etc. can be deducted from VAC Fees.

5. In case the VAC is to be conducted by agency or trainer, the same should be advertised for call for quotation and the 3 member VAC committee along with one member from other department will finalize the vendor based on technical evaluation and price negotiation.

6. At the beginning of each year (Preferably on 1 June), the VAC committee will communicate to the students and Principal the minimum requirement under VAC for refund of VAC fees at the end of the year.

Course Fees and Calculation of Amount to be charged for various years

7. The 3 member VAC committee will decide each course fees and amount to be charged to students every year under the VAC fees head based on feedback received from various stakeholders. The VAC fees will be applicable to FE, SE and TE students only. The minimum amount charged will be Rs. 3000/- and Maximum amount will be Rs. 5000/-.

Refund Policy

8. Fees charged against VAC conducted by the department (e.g. Para 4(b), 4(c), 4(d)) in which case payment is done by college to the agency or trained or professional society will not be refundable. If the student is required to attend a VAC conducted by department, and he/she remains absent, the amount charged will not be refunded.

9. The balance VAC fees of the student is refundable only if the student has fulfilled the minimum requirement stated in para 6 by undergoing a prescribed course on his/her own. The student is required to submit the certificate of completion of the course. The amount will be refunded at the end of every year.

10. The MOOC/Online courses which are eligible for refund will be approved by VAC committee of the department after due deliberations with the HoD.

Carry Forward Policy

11. In case a student is not able to fulfill the minimum requirement for refund in FE, SE & TE, the amount may be carried forward till his/her final

Savitribai Phule Pune University**Second Year of **Electronics/E & Tc Engineering** (2019 Course)****204201: Mandatory Audit Course - 4**

Teaching Scheme:	Credit	Examination Scheme:
--	--	--

List of Courses to be opted (Any one) under Mandatory Audit Course 4

- Enhancing Soft Skills and Personality
- Language & Mind
- Emotional Intelligence
- German II
- Human Behaviour
- Speaking Effectively

GUIDELINES FOR CONDUCTION OF AUDIT COURSE

In addition to credits courses, it is mandatory that there should be audit course (non-credit course) from second year of Engineering. The student will be awarded grade as AP on successful completion of audit course. The student may opt for two of the audit courses (One in each semester). Such audit courses can help the student to get awareness of different issues which make impact on human lives and enhance their skill sets to improve their employability. List of audit courses offered in the semester is provided in the curriculum. Student can choose one of the audit course from list of courses mentioned. Evaluation of audit course will be done at institute level.

The student registered for audit course shall be awarded the grade AP and shall be included such grade in the Semester grade report for that course, provided student has the minimum attendance as prescribed by the Savitribai Phule Pune University and satisfactory in-semester performance and secured a passing grade in that audit course. No grade points are associated with this 'AP' grade and performance in these courses is not accounted in the calculation of the performance indices SGPA and CGPA. Evaluation of audit course will be done at institute level itself.

Selecting an Audit Course:

Using NPTEL Platform:

NPTEL is an initiative by MHRD to enhance learning effectiveness in the field of technical education by developing curriculum based video courses and web based e-courses.

The details of NPTEL courses are available on its official website www.nptel.ac.in

- Student can select any one of the courses mentioned above and has to register for the corresponding online course available on the NPTEL platform as an Audit course.
- Once the course is completed the student can appear for the examination as per

the guidelines on the NPTEL portal.

- After clearing the examination successfully; student will be awarded with certificate.

Assessment of an Audit Course:

- The assessment of the course will be done at the institute level. The institute has to maintain the record of the various audit courses opted by the students. The audit course opted by the students could be interdisciplinary.
- During the course students will be submitting the online assignments. A copy of same students can submit as a part of term work for the corresponding Audit course.
- On the satisfactory submission of assignments, the institute can mark as “Present” and the student will be awarded the grade AP on the marksheet.
