

Criterion 2- Teaching Learning and Evaluation

Key Indicator- 2.1. Student Enrolment and Profile (40)

2.1.2 Percentage of seats filled against reserved categories (SC, ST, OBC etc.) as per applicable reservation policy for the first year admission during the last five years

Claim and Response

As per the order of the Hon Supreme court New Delhi on the writ no- 325/1994, as Army Institute of Technology is established for the **wards of serviceman from Army**, considering this aspect the Institute is allowed to process the admission independently and not as per rules applied to other Institutions. 100% admissions from this Institute are made from All India Quota based on JEE (Mains) conducted by National Testing Agency (NTA) and Class 12th (60:40 weightage) **for the wards of Army personnel and has no seats reserved for other categories also** some weightage is given for wards of disabled Soldiers, War Widows and Gallantry Award winners.

Hence, AIT, Pune run by Army Welfare Education Society(AWES) is exempted from the provisions of Single window admission process through state wise common entrance test as mentioned vide Maharashtra State Unaided Private Professional Education Institute (Admission at fee regulatory) Gazette Act 2015.

This exemption is approved due to the following aspects.

AIT, Pune is run by AWES registered on 29/4/1986 under society act XXI 1860, with the noble aim of provided quality education to wards of soldieries serving the armed forces of the country, whose wards could not get the domicile of a particular state, due to missions and posting of the soldiers.

COVERING LETTER

Army Institute of Technology, Pune is run by Army Welfare Education Society registered on 29/4/1986 under society act XXI 1860, with the noble aim of providing quality education to wards of soldiers serving the armed forces of our country, whose wards could not get the domicile of a particular state, due to frequent postings and missions of the soldiers.

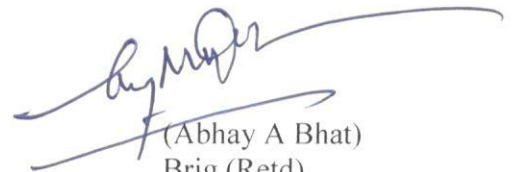

AIT is a private unaided institution affiliated to Savitribai Phule Pune University and is governed under the Maharashtra Public University Act 2016.

As per the order of the Hon Supreme court New Delhi on the writ no- 325/1994, as this Institute is established for the wards of service personal from Army, it is allowed to conduct its admissions independently for the wards of defense personnel purely by merit and not as per rules applicable to other affiliated Institutions in the state.

Based on the above judgment and Government of Maharashtra letter number F P O 2/B-2/RC[BB]/93 16th June 1994, AIT is exempted from the provisions of Single window admission process i.e state wise Common Entrance Test (CET) as required vide Maharashtra State Unaided Private Professional Education Institute (Regulation of Admission at Fees) Gazette Act 2015. As per this exemption and Supreme Court order referred above any reserved quota and Scholarship/ Tuition fees exemption from state government is **NOT** applicable for AIT.

The admissions in Army Institute of Technology, Pune is based on All India Ranking obtained in the **Joint Entrance Exam (Main) (JEE Main)** conducted by **National Testing Agency (NTA)** and some weightage is given for the **wards of disabled soldiers, War Widows and Gallantry Award winners** again as per Supreme Court ruling. Thus this Institute carries out 100% admissions through all India merit. Therefore the list of admitted students is not processed and approved by DTE.
