1. BACKGROUND

An Expert Group was constituted by the Prime Minister on 18th August, 2010 in the context of enhancing employment opportunities among youths of Union Territories of Jammu & Kashmir and Ladakh to formulate job plan involving public and private sectors. Among the key recommendations of the Expert Group, one was to offer 5000 fresh scholarships per annum to encourage the youth of J&K and Ladakh to pursue higher studies outside the UTs. The proposal arises out of the identified strategy of a human resource development initiative focused on improving skill set through improving access to education.

2. OBJECTIVE

To provide academic fee (tuition and other admissible fee) and maintenance allowance (to bear expenses on account of hostel & mess fee, cost of books and other incidental charges) to students belonging to J&K and Ladakh who, after passing Class XII or equivalent examination, secure admission in Government colleges/institutions and other select institutions outside the UTs of J&K and Ladakh through AICTE's counselling process under the supernumerary quota created by the Government except in medical courses. Scheme was launched in the year 2011 and modified from time to time to make the scheme student friendly. The scheme also envisages to build capacities of the youth of J&K and Ladakh to enable them to compete with their peers in the national mainstream.

3. SCOPE

Under the scheme 5000 fresh scholarships are available per annum. Out of these, 2070 scholarships are for General Degree Courses, 2830 for Professional/Engineering courses and 100 for Medical Courses. The number of scholarships for Engineering and Medical Studies would be kept flexible, subject to the ceiling of 5000 fresh scholarships per annum and subject to the savings accruing from any shortfall in the number of students opting for General Degree courses.

4. RATE OF SCHOLARSHIPS, ACADEMIC FEE & MAINTENANCE ALLOWANCE PER ANNUM:

*Not exceeding Rs.1.00 Lakh per annum (Ten equal instalments to meet hostel, mess, books, stationery & other incidentals). Fresh students admitted in the academic session 2023-24 will be paid maintenance allowance from the date of joining the institute.

Dear Sir,

1. Please refer our earlier mail we have nominated Ms Neha Kurra, FE COMP student from our college for the scholarship program as per your criteria.
2. We have discussed the list of deserving students as per your criteria with our Director also, we are not very sure if some relaxation in HSC PCM marks is considerable. While going through the list we found one girl student Ms Mohini Dahiya is much more deserving if we consider the needy criteria, though she is not qualifying for marks criteria of 85% PCM in HSC.
3. This girl lost her father when she was hardly seven years old and the only source of income presently is her father's pension amounting to annual income of Rs 57,600/-.
4. We are forwarding her details as per your format for your consideration. But yes if she doesn't qualify your criteria as per your process of shortlisting, then nomination of Ms Neha Kurra forwarded earlier may please be considered.
5. Scanned copy of nomination form, HSC mark sheet and AIEEE mark sheet are attached.
6. Shall wait for the update.
