### REQUEST TO PROVIDE AN APPOINTMENT FOR PRESENTATION

Dear Sir,

1. Kindly refer to HQ Southern Command letter 440001/SIMS/Policy/GS(HR) dated September 22, 2021. (Copy attached)
2. Symbiosis Institute of Management Studies (SIMS) would like to make the military's Serving and retired personnel aware that 270 of its 300 seats are set aside for dependents of active-duty military personnel. Since SIMS is just for the dependents of defence personnel, it will help them if they want to enrol for management studies. It will be the ideal option for them because, in addition to having 90% of the seats reserved for the defence category, it is also more economically advantageous and affordable than other management colleges' fee structures. In contrast, there is a 100% chance of placement through the campus selection process in well-known corporate industries or commercial organisations.
3. This will definitely provide wide publicity among the Students of your Institute and the aim of the MOU between the Ministry of Defence and Symbiosis Society for the welfare of Serving and Retired dependents will be fulfilled.
4. Hence, it is requested to provide an appointment on any suitable date and time, on behalf of your Institute, so that SIMS carry out a presentation among your students to create wide publicity and awareness.

Yours Sincerely

*Deepak Vasant Patil*
