Vision statement

Electronics and Telecommunication Engineering

To become "Internationally Recognized" center of excellence providing electronics & telecommunication engineering education & research facilities to the wards of defence personnel.

Vision statement

Mechanical Engineering

Emerge as a globally recognized provider of Mechanical Engineering education and solutions.

Vision statement

Computer Engineering

To provide best quality education and research facilities to the wards of army personnel to produce globally competent computer engineering graduates.

Vision statement

Information Technology

Towards providing world class education in Information Technology with societal focus

Vision statement

Applied Science and General Engineering

We strive to empower the students with knowledge of all basic engineering and applied science subjects and to provide avenues for development of their physical, intellectual, emotional and spiritual quotients.

Mission statement

Electronics and Telecommunication Engineering

- Provide state-of-art facility, modern infrastructure and learning environment to the students and faculty in the department to meet growing challenges of electronics & allied industry.
- Equip students with fundamental knowledge & practical skills in electronics, communication & allied areas to excel in professional career & lifelong learning.
- Foster research and innovation in electronics & telecommunication engineering by collaborating with industry and R&D organizations.
- Develop intellectuals, entrepreneurs and technology leaders committed to contribute to the development of society and welfare of humanity.

Mission statement

Mechanical Engineering

- Provide an environment for developing intellectual, emotional, physical and spiritual quotients that are essential to produce total quality engineers
- Establish a platform that fosters a culture of creativity, research, innovation and life-long learning
- Become a centre of excellence that creates technology leaders and entrepreneurs committed towards sustainable development of society

Mission statement

Computer Engineering

- To provide state of the art infrastructure to the wards of army personnel to produce total quality computer engineer
- To create an environment which can promote the culture of research, innovation, creative, thinking, and higher studies
- To collaborate with industry fraternity to create entrepreneurs and technology leaders who are committed towards sustainable development of information society

Mission statement

Information Technology

- Empowering students with state of art knowledge and skills to meet global challenges.
- To carry out high quality research leading to the creation and commercialization of intellectual property.
- To provide a comprehensive quality infrastructure committed to empower students to contribute technological and social development towards the progress of society.

Mission statement

Applied Science and General Engineering

• To provide a stimulating learning environment and state of the art infrastructure with the aim of providing a sound foundation to their engineering studies.

- To develop creative thinking and inculcate a habit of lifelong learning in students.
- To encourage the faculty to acquire latest technical knowledge and pedagogical techniques.
- To strive for a holistic personality development of students.

List of Laboratories

Electronics & Telecommunication

The department has following laboratories:

- 1. Basic Electronics Lab
- 2. Digital & Microprocessor Lab
- 3. Power Electronics & Network Lines Lab
- 4. Programming Lab
- 5. Computer Systems Lab
- 6. VLSI & Embedded System Lab
- 7. Communication Lab
- 8. PCB Lab
- 9. Robotics & Project Lab
- 10. Advanced Communication Lab
- 11. Basic Electrical Lab

Software

1. MATLAB Base module R2014a with Toolboxes

Signal Processing Toolbox

Communication Toolbox

Image Processing Toolbox

DSP systems Toolbox

SIMULINK

SIMSCAPE

- 2. Xilinx Make ISE series US-ISE-FND(VER 9.1)
- 3. Microwind Software 3.5
- 4. Triton IDE Dongle based for ARM7
- 5. LABVIEW
- 6. MULTISIM
- 7. Kaspersky Antivirus

Mechanical Engineering

The department has following laboratories:

- Computer Aided Drawing (CAD) I & II
- Strength of Material
- Thermal Engineering
- IC Engines
- Theory of Machines
- Dynamics of Machinery
- Fluid Engineering and Mechatronics
- Heat Transfer
- Machine Shop
- Metallurgy

- Measurements and Quality Control
- Research and Projects
- Computer Aided Engineering (CAE)
- Computer Aided Manufacturing (CAM)
- Drawing Halls
- SAE-AIT Fabrication Facility

Software

- CAD: CATIA, Pro/Engineer, AutoCAD, CADIAN
- CAE (FEA): SIMULIA (ABAQUS), NASTRAN, ANSYS, Pro/Mechanica
- Kinematics: ADAMS, Pro/Motion, SAM
- CAE (CFD): Star CCM+, ANSYS (Fluent)
- CAM: MasterCAM
- Suites: CREO, HyperWorks, 3DExperience

Computer Engineering

The department has following laboratories:

- CSL Lab I & CSL Lab II equipped with 60 PCs used for programming in C, C++, and Visual Studio, Python, and cloud computing setup
- CSL Lab III equipped with 25 PCs with 2 server used for .NET, Networking Labs, Digital Signal Processing Lab
- CSL Lab IV equipped with 20 PCs used for FE and SE students
- CSL Lab V equipped with 20 PCs used for FE and SE students
- CSL lab VI equipped with 10 PCs used for students, Cyber Security Projects, BE Projects
- Texas Lab consist kits of BeagleBone Black to perform mini-projects on embedded system etc
- Computer Hardware Lab equipped with IOT Devices with ESP8266 Wi-Fi MCU Kit and 23 PCs

All systems are dual boot. An ultra-modern class-rooms equipped with video projection systems and computer caters for conventional as well as e-learning needs.

Software

- Open-Source software's (java, python, g++ etc....)
- Microsoft Windows 8 and Windows 10
- Microsoft Project
- Microsoft Office 2013
- Code Blocks
- Visual Studio
- Oracle 11g
- Sift/ Caine
- VMWare
- Masm/ Nasm
- Mongo DB/ MySQL

- QT framework
- Wireshark/Ethereal and Packet Tracer
- Raspberry Pi/Arduino Programming
- Unity, C#, Blender

Information Technology

The department has following laboratories:

- Programming Lab I
- Programming Lab II
- Programming Lab III
- Software Lab I
- Software Lab II / R&D LAB
- Hardware Lab

Software

- NetSim Component 1 Ethernet- Fast & Gigabit Arp
- Cisco Packet tracer
- Kaspersky Antivirus
- Oracle 10g

Activities 2022-2023 R&D Cell

R&D Lab inauguration

The R&D lab was inaugurated by the Director, AIT on 4th Oct 2022

Workshop on Basics of C# and Its Utilization for Application Development

Resource person: Mr. Dheeraj Yadav Hilti Technology

Solutions India, Pune

Duration: 24th Nov 2022 – 4th Dec 2022

Participants: FE & SE students

Workshop on Internet of Things

Resource person: Prof. Ashish Dudhale, Asst Prof, E&Tc

Duration: 09/11/2022 to 11/11/2022

Participants: SE & TE students

Southern Star Army Academia Industry Interface' (S2A2I2) on 12th May 2023

- 1. 'Southern Star Army Academia Industry Interface' (S2A2I2), a one-day seminar and exhibition was organized by 'The Regional Technology Node', Headquarters Southern Command in collaboration with the Army Institute of Technology, Dighi on 12th May 2023. The theme of the event was 'Transformation to Atmanirbhar Bharat in Defense Technology'. S2A2I2 was an attempt to exhibit the upcoming technological trends in the defense arena and to promote tangible interaction with the academia and industry/startups to develop indigenous defence technology.
- 2. The Chief Guest of the inaugural session was Lt Gen AK Singh, AVSM, YSM, SM, VSM GOC-in-C, Southern Command. Lt Gen Sudarshan Shrikant Hasabnis PVSM, VSM, ADC (Retd), a highly decorated, experienced, and accomplished General Officer who retired as the Deputy Chief of Army Staff in the year 2022 also graced the occasion. The event witnessed participation from defense stakeholders, R&D institutes, academia, and private industries. Over 50 delegates and 18 exhibition stalls were a part of S2A2I2.
- 3. An Exhibition of industries and products as well as startups related to defence Technology was inaugurated by the Chief Guest after the inaugural session. The Exhibition was kept open till 5.30 pm.

Patent Commercialisation

Another Milestone

Technology and inventions are important parts of the innovation process, which transforms inventions into marketable products. This process is most complex and as such requires much specialized professional expertise and expert knowledge. The final phase of the innovation process is the marketing and commercialization phase which is crucial for the success of any invention and innovation.

With two startups having filed their final products and three companies already registered, there was a need to formulate the start-up policy, so with the help of the experienced alumni network and domain experts, the policy has been formulated.

Moreover, "patent commercialization" has been defined with extensive survey and discussion with experts.

This policy will benefit Startups like Cheqit and Xefficient with patented products.

MANN

Bhau Institute Incubation Centre

Promoting Innovation and Entrepreneurship

Bhau Institute Incubation Centre is an incubation centre which promotes the creation of start-up companies and entrepreneurship in a self-supported, sustainable and scalable manner by creating a world-class institute.

Technology commercialization, product development, intellectual property advice, access to legal, marketing, accounting, finance, negotiation, team management, and organisational development seminars. Apart from this, we get proper working space at an affordable rent, which is sometimes difficult for budding entrepreneurs to find, but BHAU provides all the facilities which are helpful for the development of entrepreneurs.

Our Start-ups "Xefficient" and "Incessant Motors" are pre-incubated at the BHAU incubation centre.

Inali Foundation

Challenging Disabilities, Enabling Lives

Inali Foundation is currently focusing on upper limbs and other upper limb-related products such as elbow, joints, wrist units, partial hand prosthesis, and so on.

A hand to hold, a hand to bless,

A hand to work, a hand to create.

One of the many things that come to mind when we hear the word hand is independence.

The foundation was born out of the tremendous need to create and supply affordable upper limbs for those who have lost an upper limb and live with the stigma of being disabled.

Their foundation's achievement is that they were able to make a limb prosthetic, which is worth 12 lakhs, at an affordable price of 7000.

Startup Saga

Bug in a Startup

Start-up Saga is a PAN-INDIA level start-up challenge that brings a unique platform to celebrate the spirit of entrepreneurship and to inspire the technology leaders and problem solvers of today's generation to think beyond their limits and develop sustainable products.

At this event, problem statements were given by different AIT start-ups related to the three different tracks (technology)-

Artificial Intelligence & Machine Learning Internet of Things, Web Technology Digital Marketing Five companies contributed to the problem statements: Aviabird Technologies, Digital Persistence, RS Deep Info Lab Pvt Ltd. CopperCloud IoTech Pvt Ltd. and Momentum Robotics Solutions.

This event got more than 210 registrations. With this great participation in its first launch Start-Up Saga became a common stage for budding entrepreneurs and entrepreneurs and corporates.

24

YAIN EVENT

Unnati

Keynotes

"UNNATI" was a wonderful experience that aimed to instil in students an entrepreneurial spirit, i.e. a problemsolving mindset.

We learned how to communicate and describe our product to attract attention while having fun with marketing skills. We learned about the company's market perspective, how they research their customers, and how grounded they see the things from two different frames (manufacturer, consumer) to increase the demand for their product.

One of the most enjoyable aspects was brainstorming with our team members and witnessing other teams magnificent ideas and knowledge.

An event where we learnt skills dealing with real-life situations that were once a real problem for a startup.

Make my Mind

How many did you sell?

Team selling their randomly picked product

Enthusiastic Participants and Supportice Organizers

Judging Panel deducing the originality of pitch

Team delivering their pitch for their product

Make my mind was a consumer-based contest that evaluated participants' optimism, originality, and imagination in order to select teams for the second phase.

UNNATI: PHAS

CEO in Trouble

Watchout for your company

Teams presenting their solution to the real-life problem

Jury cross questioning the presented solutions

In this round, qualified teams had to solve a real-life problem situation while holding the position of CEO of a company or organisation in crisis.

16 teams were able to qualify for this round, and they showed great enthusiasm.

The judges were from the board of directors: Mr. Pawan Yadav, Mr. Abhijeet Deogirikar,

Dr. Shradhha Oza, and Mrs. Geeta Patil.

Judging Faculty and the Winning Teams

A problem well stated is a problem half-solved. The 16 case studies that were given to the teams were of failed start-ups in the past years

UNNATI:PHAS

FAREWELL

Bidding Adeau to Prof. Harjeet Kaur

We'll miss you

Teaching is the profession that creates all other professions and to have a teacher like "Harjeet Kaur" mam is grateful and we learned under her umbrella of expertise.

She has worked tirelessly to shape our minds and set us on the right path.

She is always so encouraging about trying new things and new ways of solving problems.

Dr. Sangeeta Jadhav presenting Momento to Prof, Harjeet

So, at her farewell and before the start of her new journey in Canada, students showed their love and affection for her by performing various songs, shayaris(poetic phrases), etc. Her friends came in for the farewell and wished her lots of love and a great journey ahead.

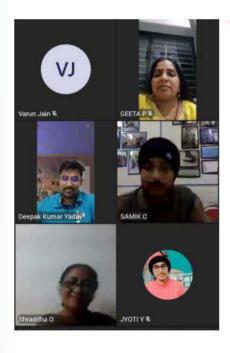

"A good teacher is like a candle - it consumes itself to light the way for others." - Mustafa Kemal Atatürk

28

BRATION

Entrepreneurship Day

Celebrating the spirit of entrepreneurship

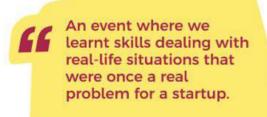

"Life gives us brief moments with another, but sometimes in those brief moments we get memories that last a life time..."

We met to reminisce old times and talk about the future on the occasion of Entrepreneurship Day on August 21st, 2022.

We talked about how the foundation of Ecell was laid down and why we needed a place that belongs to promoting entrepreneurship and supporting startups in their budding stages.

We discussed college life and got great takeaways like, initially the things do not make sense, but after the four years of college, all those things are worth it. We see the dots are connecting. Travelling backwards, looking around yourself and analysing what society wants from us is one of the major steps of an

entrepreneurial journey.

Sports

<u>Volleyball</u>. AIT Volleyball Boys Team won COEP Tournament, on 14 Feb 2023

Ashan Vaid, Bhavna, Shivangi, Sumit Dhaiya, Swapnil Sinha and Mukund from AIT have selected in SPPU Team for All India Inter University competitions.

SPORTS

Lawn Tennis. AIT Lawn tennis Team secured 2nd posn in MIT-ADT competition for the first time in past four years.

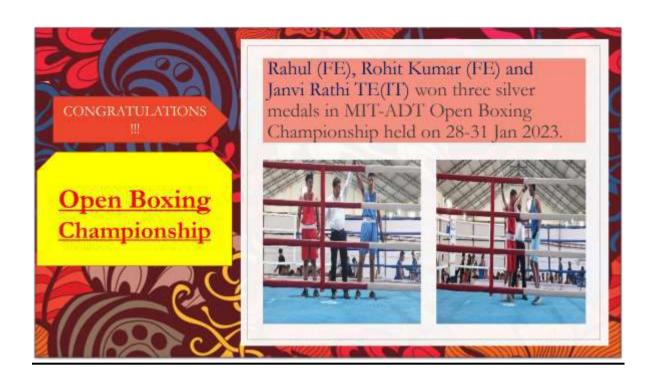

Best Player of the Tournament. Swapnil Sinha, BE student awarded as the Best player of the MIT- WPU Tournament.

<u>Badminton</u>. AIT Badminton Team secured 2nd position in Singles and Doubles at <u>Ajinkya</u> DY <u>Patil</u> University Sports Festival.

Intellectual development

DEUTSCHE BANK

Three girls of First Year of Engineering have received a grand scholarship of Rs 1 Lakh every year, Laptop, Training for Placements and Placement assistant from Deutsche Bank:-

- ✓ Tanu Kohli
- ✓ Rashnee Gouda
- ✓ Ritika Singh

INTERNATIONAL HACKATHON

- Shekhar Ku Singh BE (IT) Receiving Award from Hon'ble Vice President and Union Education Minister, on 25 Nov being part of Winning Multi-national Team of the UNESCO India Africa Hackathon.
- Problem Statement "App to Monitor Soil Moisture using a Standard Digital Image and Machine Learning Technology".

Best Award in RDME 2022 Conf.

Mr Piyush Sunil Sharma, ME(Design) 2nd yr student of AIT awarded Best Pn Cert in RDME-2022 Conf for "Frequency Response Driven Design and Development of the Battery Package Module for Retrofitted Electric Car".

DIRECTOR'S SECRETARIAT

NOTICE NO - 76/2023

MENTAL HEALTH COMMITTEE (MHC)

- 1. It has been observed post COVID many students are going through Mental-Health problems. Such students need special monitoring and counseling.
- 2. All counsellors will identify students with some mental health issues as well as those, whose performance is declining. Counsellors will report the cases to a newly formed Mental Health Committee. The counsellors will give all necessary details to this Committee.
- 3. The Committee will try to address the problem with the help of empaneled professional counsellors. As of now Dr Meenal Sohani and Mrs Bhavana Sheralkar are on the Panel of AIT.
- MHC will consist of the following members :-

(i) Prof Manoj Khaladkar

Presiding Officer

(ii) Prof RS Verma

Member

(iii) Prof Asha Sathe

Member

5. The Committee will put up an SOP for handling such cases and revert them to the empaneled professionals by 15 Aug 23. The Committee will also report such incidents to the Director/ Principal.

Spiritual club activities

Youth Festival in Kanha, Hyderabad: 12-08-2022 to 14-08-2022

Students visited Kanha Shanti Vanam, Hyderabad to attend the International Youth Conference with the theme "Rising with Kindness". The activities of the conference included Yoga, Meditation, tree plantation, interactions and addresses with dignitaries like Shri K. T. Rama Rao, UNESCO MGIEP Dr. Anantha, Mr. Ved Abhyas, working with Ministry of Culture, GOI, Dr. Pooja Sahani, Environmental and neuroscientist, S. Joshina Chinappa, India's star squash player amongst others. Our students also got an opportunity to connect with students of various backgrounds from all over India.

Research, innovation, creative thinking

Wksp on Placement

A 'Campus to Corporate Workshop' of 6 hours was conducted by Skill Matrix Learning Solutions at AIT on 20 Feb 2023 for third year students.

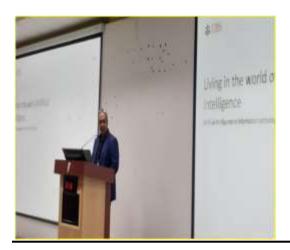

<u>Session</u>. A session was conducted by Zblock on 'Web3 and Internship' for pre-final year students on 25 April 2023.

Seminar. A session was conducted by UBS Business Solutions on Al and ML for pre-final year Comp & IT students on 18 April 2023.

HIGHEST ACHIEVEMENT OF INTERNSHIP

Abhishek Kumar [TE IT- 4303 (20279)]

Abhishek Kumar TE IT got the internship offer at Amazon in London office.

Stipends: 4,083.00 GBP Monthly.

Internship Period

13 FEB 2023 TO 30 SEPT 2023.

Innerve-7. Inter College Hackathon competitions conducted from 10-11 Mar 2023.

Industry Visit. Training & Placement Cell has organized an Industrial Visit for Faculty to Bharat Forge Mfg Unit and Kalyani Technology Centre on 21 Feb 2023, wherein thirteen faculty members participated.

Academia Industry Interface

The Regional Technology Node at HQ Southern Comd had org Southern Star Army Academia Industry Interface (S2A2I2) on 17 Feb 2023 at Charak Auditorium. Dir AIT with Principal, Placement Officer, Dean PP, Dean R&D and students attended the event.

Design Thinking workshop

Design Thinking Wksp

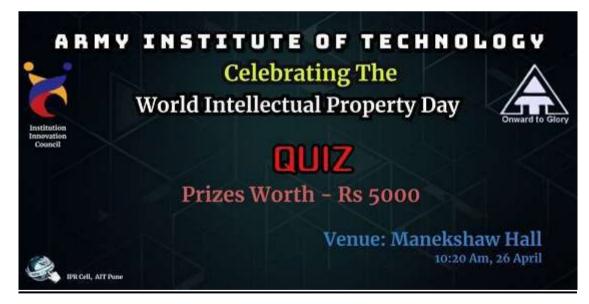

Two Days Design Thinking workshop by IIC is conducted by Brig (Dr) Bhatia at AIT on 20-21 Feb 2023.

Cultural activities

<u>Dance Competition: SIBM</u>. College dance team at Symbiosis Institute of Business Management (SIBM) secured 2nd Position in Group Dance Competition(Dance-Ma-Tazz).

<u>Dance Competition: Symbiosis school of Economics</u>. College dance team at Symbiosis School of Economics secured 1st Position in Group Dance Competition.

Dance Competition: SIMS

College dance team at Symbiosis Institute of Management Studies (SIMS) secured 1st Position in Group Dance Competition..

Dange Compatition : Will College dance team at Symplects Institute of Nodio and Communication accuracy 1st Positive in Group Deade Compatition.

Dangs Competition (SID) College Cance fears at Symbiosis Institute of Design recursed 1st Position in Group Dance Competition. Price ceremony is acheduled on 18 Feb 2022.

MEMORANDUM OF UNDERSTANDING (MOU)

For

Skill Based Training, Internship, Consultancy and Collaborative Research & Development

BETWEEN

Army Institute of Technology, Pune 411015

&

eSec Forte Technologies Pvt. Ltd.

MEMORANDUM OF UNDERSTANDING

This Memorandu	m of Understar	iding (hereinafter o	alled as the	'MOU') is	entered into
on this the 26th	Day of Oct	, 2022			

Between

Army Institute of Technology

And

eSec Forte® Technologies Pvt. Ltd. with Corporate Office at 285, Udyog Vihar 4, Gurgaon, 122015, Haryana, India is a CMMi Level 3 certified Global Consulting and IT Security company with offerings across Cloud Security, Cyber Forensics, Malware Detection, Security Audit, Red Team Assessment, Threat Hunting, Security Operations Control, Penetration Testing, Secure Access Management, Risk Assessment, IOT Security etc.

We are emplaned by CERT-INDIA for providing Information Security Auditing Services. We are PCI DSS QSA and are authorized by the PCI Security Standards Council to validate an entity's adherence to PCI DSS.

- Whereas <u>Army Institute of Technology</u>, <u>Pune</u> (hereinafter referred to 'AIT' or as
 First Party and the expression shall include all its present and future units) is an
 Institute of National importance providing education in the field of forensics.
- 2. Whereas eSec Forte Technologies Pvt Ltd eSec Forte (hereinafter referred to as 'eSec Forte' OR 'Second Party') shall include its successors in-office, administrators and assigns is engaged in Consulting, R&D, Implementation, and standardization activities in the field of Cyber Security and Digital Forensics.

Aim

3. Both the parties to this agreement wish to undertake activities for mutual benefit in the true spirit of Skill Based Training, Education and Collaborative Research &

Development which will promote more effective use of each of their resources and provide each of them with enhanced opportunities. The aim of this Memorandum of Understanding is to lay down the framework for both parties to engage in long term collaboration within the scope of activities as mentioned in the subsequent para.

Objectives & Scope of Activities

- 4. The objectives and scope of activities envisaged are as follows:
 - a. <u>Joint Research and Development.</u> Both Parties have agreed to carry out the joint research activities in the field of Information Security, Cyber Forensics, Internet Technologies including Internet of Things, Blockchain, Crypto and Industry 4.0, Web 2.0, and Web 3.0. The joint research development activities will include scaling of the existing projects and programs.
 - Students Internships: Both the parties have agreed that students of Army Institute of Technology, Pune will be offered suitable internship opportunities by eSec Forte.
 - c. <u>Joint Projects.</u> Both, first party & second party will work together to identify projects of importance in the area of Cyber Security, Cyber Forensics & Internet Governance and may jointly apply for any grant in aid with different Government of India ministries / departments and also on PPP model. The work plan can be decided by mutual consent of both the parties.
 - d. <u>Digital Forensic Research Lab</u>. Creation of Digital Forensic research Lab at <u>Army Institute of Technology</u>, <u>Pune</u> campus in collaboration with eSec Forte which can then work in tandem for advanced Digital Forensics research in India. The lab can be used by both the parties to create their offerings & programs.
 - e. Cyber Security Research Lab. Creation of Cyber Security research Lab at Army Institute of Technology, Pune campus in collaboration with eSec Forte which can then work in tandem for advanced Cyber Security research in India. The lab can be used by both the parties to create their offerings & programs.

- f. Open Internet Standards & Protocols. To create indigenous Internet protocols & standards to make globally accepted make in India IT products.
- g. <u>Forensic Accounting</u>. Reviewing the technology dimension of forensics embedded in the indigenous accounting standards in the field of forensic accounting.
- h. <u>Tools & Products</u>. eSec Forte will advise <u>Army Institute of Technology</u>, <u>Pune</u> on the latest tools & products available globally which may benefit <u>Army Institute of Technology</u>, <u>Pune</u> in Academic & research work. The advice will however will not be binding for both the parties.

Terms & Conditions

- 5. The broad Terms & Conditions within which both the parties would work are:
 - a. This MoU does not have any financial bindings. However, where specific collaborative work/project tasks involve funding, both parties would engage on mutually agreeable terms & conditions.
 - Both parties can mention this MoU and use the logo / name of each other on print & digital media to reflect collaboration.
 - c. eSec Forte will endeavor to position <u>Army Institute of Technology</u>, <u>Pune</u> at various international organizations for any meetings/ conferences related to work of joint project development or research activity.
 - d. eSec Forte will offer internship opportunities to students at <u>Army Institute</u> of <u>Technology</u>, <u>Pune</u>.
 - e. Both the parties will provide inputs to each other in developing suitable skills / training systems, keeping in mind the needs of the industry and the nation.

Project Agreements

6. This being an Umbrella MoU, both the parties would sign separate agreement for each new project on case-to-case basis on mutually agreed terms and conditions.

Intellectual Property Rights

7. Each party shall continue to remain the sole owner of its material contributed to any joint Project / Research. Arrangements relating to new intellectual property rights jointly created should be agreed in writing by both parties.

Arbitration

8. Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act of India. The place of the arbitration shall be at New Delhi, India.

Amendments, Duration & Timeline

- 9. The MoU will be effective as follows:
 - a. Amendments to this memorandum of Understanding can only be made after consultation and with mutual written consent of both the parties.
 - This memorandum of understanding shall be effective from the date of signing of MoU and continue for a period of five years from that.
 - c. This memorandum of understanding may be terminated by a party after 30 calendar days' notice to the other party with reason for doing so. In the event of Termination, both parties will have to discharge their obligations.

Confidentiality and Data Protection

- 10. Both Parties will not disclose to any third party or itself, except in the performance of this Agreement, any Confidential Information that may be made available to it in connection with its performance of this Agreement, except as may be specifically authorized in writing by a duly authorized representative by other party.
- 11. The term "Confidential Information" means and includes all information furnished or made available to the parties orally or in writing pursuant to this Agreement or in connection with a Task Order, without limitation, non-public Intellectual Property, Deliverables, ideas, concepts, procedures, agreements, notes, summaries, reports, analyses, compilations, studies, lists, charts, surveys and other materials, both written and oral, in whatever form maintained concerning the business of other party and its clients, customers and/or Subcontractors. Confidential Information shall also include, without limitation, any reports, findings, conclusions, recommendations, or reporting data and analysis prepared by Subcontractor for Company in furtherance of this Agreement.

Non-Solicitation

From the Effective Date until eighteen (18) months following the date of termination, each Party, on behalf of itself and its Affiliates, agrees not to, either directly or through others, solicit, initiate discussions with or attempt to solicit any present officer or employee of the other Party or its Affiliates with whom it has contact during the discussions contemplated by this Non-Disclosure Agreement, or who becomes known to it through disclosure of Confidential information, to terminate his or her relationship with the other Party; provided, however, that the foregoing restriction shall not apply to any such person who (a) has ceased to be employed by a Party or any of its Affiliates for at least six (6) months; or (b) responds to a general solicitation for employment such as may be contained in or on a newspaper, trade publication, a Party's website or employment website.

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

Army Institute of Technology (AIT), Pune,

8

Ethosh Designs Pvt. Ltd., Pune

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 5th day of June – Two Thousand Twenty Three (05.06.2023), **BETWEEN**

Army Institute of Technology (AIT), Dighi, Alandi Rd, Pune, Maharashtra 411015, the First Party represented herein by its Director, Brig Abhay A Bhat (Retd) at AIT, Alandi Road, Dighi, Pune - 411015, (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Ethosh Designs Pvt Ltd

the Second Party and represented herein by its Head of L&D, Mr. Ravindra Palekar, Office # 413, Pride Silicon Plaza, 4th Floor, B-Wing, Senapati Bapat Road, Near Chatushringi Temple, Pune- 411016, Maharashtra (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators, and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 Army Institute of Technology, Alandi Road, Dighi, Pune,
- B) The Parties intent to co-operate and focus their efforts on co-operation within area of Skill Based Training, Education and Research.
- C) Both Parties, being legal entities in themselves, desire to sign this MOU for advancing their mutual interest.
- D) Ethosh Designs Pvt Ltd the Second Party is engaged in designing & developing User and Digital Experiences/Solutions, Technical Visualization, AR-VR Solutions, Digital Campaign strategies for the corporates, esp. Healthcare & Engineering companies.
- E) Ethosh Designs Pvt Ltd –, the Second Party is promoted by its Co-founder & Executive Director, Mr. Jitendra Dahale, Office # 413, Pride Silicon Plaza, 4th Floor, B-Wing, Senapati Bapat Road, Near Chatushringi Temple, Pune-411016, Maharashtra
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MOU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 Curriculum Design: First Party will give valuable inputs to the Second Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 Industrial Training: Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Students of the First Party to involve in Industrial Training Programs offered by the Second Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party. In certain scenarios, First Party may also offer its Labs / Sites for setting up the hands-on training location.
- 2.4 Internships and Placement of Students: Second Party will actively engage to help the delivery of the Internship and placement of qualified students of the First Party into internships/jobs.
- 2.5 Skill Development Programs: Second Party to train the students of First Party on the emerging technologies to bridge the skill gap and make them industry ready. The programs and property developed by the First Party students will be owned by the Second Party. First Party cannot claim any right on any development, content or programs created during this engagement.
- 2.6 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

2.7 There is no financial commitment on the part of the Army Institute of Technology, the First Party, to take up any program mentioned in the MoU. If there is any financial consideration that emerges, it will be dealt separately. If both the parties will be indulging in the specific paid certificate courses and will share revenue for the same. The revenues will be decided and agreed upon depending on the scope of work for both the parties.

CLAUSE 3 VALIDITY

- 3.1. This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Ethosh Designs Pvt Ltd, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner Ethosh Designs Pvt Ltd, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 3.2. Second Party will be making significant investments in running this program in terms of equipment, trainers, course content, infrastructure, and time. First Party needs to commit the success to this program by making sure students enrolled into the program complete the course. If NOT, Second Party has full right to shut down that course with immediate effect.
- 3.3. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 4 RELATIONSHIP BETWEEN THE PARTIES

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Pune.

Sr.		Description	Action/Info
No	A A A	as Interdisciplinary activities, Faster response expected to student requests, Promotion of Internships and Consultancy activities. Mr. Sridayal Yadav spoke regarding mini project in third year, he mentioned that they do not have guidance to interconnect between core subjects. Ms. C. Khusi also spoke regarding the guidance from industry for electric vehicles to integrate mechanical and Electronics. Mr. Abhishek said that more interaction among students from various branches would be helpful in interdisciplinary activities such as SAE Club. One of the weaknesses the NBA committee mentioned was Fast Response to student's requests. On this Dr. G. R. Patil said because of the system, the approval of	
		the management has to be taken and student's Council Meet is	
	D	not conducted more often.	
		Mr. Abhishek, student member said that they do not know the proper channel to put forward the student's requests. The Principal, Dr.B.P. Patil also said that the outpass queries go the Joint Director and Director as they should also be informed regarding the same. He also said that University doesn't respond	
	A	immediately, students can go personally to solve their problems. Mr. Abhishek said that there should be proper interaction between	
		students and faculty.	
	>	Dr. B.P.Patil mentioned that the interaction can be done in the	
	A	counselling session. Dr. G. R. Patil said that he visits the classrooms regularly to	
		interact with the students.	
	>	Dr. K. S. Surekha mentioned that it is risky to send students outside without proper permission and protocols which may lead	
	>	to delay in some cases Dr. B.P.Patil also said on this that the last moment approach	
	h-i	regarding outpass is very difficult for verification.	
	>	Dr.G.R.Patil also said the faculty have been given targets regarding consultancy and R&D.	
		Regarding comment received by NBA team of PEO's, Dr G R Patil said that he will setup a committee to modify the PEOs Dr. G.R.Patil also said that peer reviewing of Question Papers and Assignments are also being carried out according to the NBA committee suggestions.	
3.	Agen	da 3: Review of Placement for A.Y. 2022-23 and Internship	
		Dr. G.R. Patil mentioned that 57 students of the current batch	
		were registered for placements out of which 51 students are placed, the highest salary being 24 Lakhs and average salary around 12.7 Lakhs.	
	4		Action:
		internships. He also said about writing to university or requesting the BOS to allow 3 to 4 months of internship programme for students	Faculty and

ARMY INSTITUTE OF TECHNOLOGY Dighi Hills, Alandi Road, Pune 411 015 Department of Electronics & Telecommunication Engineering

Sr. No	Description	Action/Info
	the BOS to allow 3 to 4 months of internship programme for students	
	> Dr. B.P.Patil said that students should be ready to accept unpaid	
	internships also and focus on the learning. Ms. Khusi said that internships are offered by big companies to very few students from select colleges, So there should be tie-ups	
	with big companies. Mr. Abhishek said that students should be encouraged to bridge	
	the gap between academics and industries.	
	Dr. S. D. Oza also said students should start building the skillsets. Dr. G R Patil also said that interaction of BE students with TE	
4.	students will be arranged. Agenda 4: Discussion on Certificate Courses/ Value Added	17 (97.6%)
T.	Agenda 4: Discussion on Certificate Courses/ Value Added Courses/New skill oriented courses.	Info: Committee
	> Dr. G R Patil said that the department is planning to start Post	Committee
	Graduate in Embedded & VLSI Design.	
	> On this Mr. Baikunthnath Dwivedi said that VLSI is always in	Action:
	demand but there are a very few VLSI industries such as EATON and Honeywell. But this could improve with more semiconductor industries coming up.	HoD E&TC
	> He also said syllabus can be framed properly so that the gaps can be removed.	
	Dr. G R Patil also spoke about the various certificate courses, their duration, minimum qualification required, being offered by the department. This would be offered for Army Personnel, AIT Alumni, etc. with Diploma/Degree in Science/Engineering.	
	Mr. Baikunthnath Dwivedi also said that various skill-oriented courses should have the following skills: Interdepartmental Skills, Systems Engineering skills, Matlab, SIMULINK, Power Electronics, Automobiles and Electrification.	State of Physics
7.	The meeting was over with concluding remarks from Dr. G R Patil giving assurance for implementing the valued suggestions of AAC.

The Schedule of the Meeting was as follows:

1. Welcome

12:00 Noon

2. Presentation by HOD (Mech)

12:10 pm

3. AAC Discussion/Brainstorming

12:30 pm onwards

Agenda:

- Welcome by HOD at 12:00 pm
- Confirmation of minutes of last AAC Meeting
- Departmental Report by HOD
 - Departmental Vision, Mission PEOs and PSOs
 - Learning -Teaching during and now when out of COVID
 - Upcoming NBA peer team visit
 - New initiatives and opportunities for students

Minutes:

- Prof VR Kulkarni opened the forum and welcomed everyone. Dr Sanjiv M. Sansgiri was invited to start the proceedings.
- 2. Last AAC meet minutes were confirmed.
- 3. At the outset, Dr Sanjiv M.Sansgiri asked students to introduced themselves.
- 4. Later, Industry expert Mr. Abhijeet Mahajani introduced himself. He is a mechanical engineer with 35 years of experience. He owns a manufacturing setup where they produce a critical component with machining basically in CNC turning and grinding. They also have division where they design and manufacture special purpose machines.
- 5. Dr Sanjiv M Sansgiri, HOD (Mech) welcomed all the committee members. With the consent of all individuals present, Dr Sansgiri began with a PowerPoint presentation about the department.
- 6. He presented the Vision, Mission, PEOs and PSOs, which had been modified to align them with the institute's Vision and Mission, and make them concise and in tune with the current technological scenario.
 - 7. Mr. Abhijeet Mahajani expressed his satisfaction about involvement of AAC

THE RESERVE

in the process of freezing Vision, Mission, PEOs and PSOs and the end result.

- 8. In his presentation, Dr Sansgiri officially announced the discontinuation of the PG program in Design Engineering from the academic year 2022-23. The reasons quoted were the lack of inclination of the students toward higher studies and the incompetence of the department to attract PG students.
- He added, the revised syllabus (2019) for BE mechanical is still not published. The Board of Studies (BOS) ensured it will be available very soon.
- 10. He informed, the august audience that the computer department had their National Board of Accreditation (NBA) compliance peer team visit just recently and all other departments will have an NBA peer team visit in a coming couple of months. The preparations for the same are going on at all levels in the institute.
- 11. While appraising the members about new initiatives by the institute and opportunities for the student, he cited the full-fledged Electric vehicle (EV) lab which has come up well as a central facility.
- 12. He informed that after a long gap due to the pandemic situation, students are now appearing for offline written examinations. These examinations are being held.
- 13. Student representives discussed about the hurdles they have come across during covid period and after transition from online to offline mode.
- 14. Majority of attendees more importantly students participated in debate on the merits and demerits of online mode. The conclusion was online education can not be substitute to institutional offline mode of education as teaching learning process is jeopardized and output based education is difficult to achieve.
- 15. Dr. Sansgiri added that each and every faculty member of AIT positioned himself or herself with a camera, with a MS Teams and the flexibility to move from window to another window, to go to Internet, play videos, take questions. He also said that, this online thing as a means to an end was great, but the learning was undoubtedly questionable.
- 16. About online classes, Dr M R Dhanvijay (COEP, External Faculty) said that, for Computer and IT lectures it was fine but it was challenging for mechanical engineering practical sessions.

Dighi Hills, Alandi Road, Pune 411015 Department of Mechanical Engineering

- 17. Dr. Sansgiri discussed about, the final year projects. He talked about success and challenges faced by students and faculty.
- 18. Director Brig. Abhay Bhat was interested in knowing how the COEP handles the final year projects. Dr M R Dhanvijay (COEP, External Faculty) elaborated that the students were given online projects and they are in the last phase of project.
- 19. Director added that AIT faculty utilized digital tools and we have now created an excellent depository on the Moodle. Some of the faculty members have their presence on YouTube by creating videos for the students during the pandemic. Teaching is now not linear anymore. There are the resources available that the students in their own time can undertake. They can learn in the class. At the same time they can go online and learn according to their own time.
- 20. Mr. Abhijeet Mahajani said that, "I guess the pandemic made every one of us learn many new things, this happened even in the industry and we had to adapt to a lot of different kind of methods for continuing our operations."
- 21. Dr. Sanjagiri added, "We have a smart classrooms; we created at least two in each department which are capable of having high grade instructional facility. Each lecture can be recorded."
- 22. He informed, the institute is launching Honors courses from next academic year. They are Electric Vehicles, 3D Printing, Energy Management in Utility Systems, System Engineering, and Robotics.
- 23. Dr. Sansgiri informed that, Dr. Preeti Purohit is promoted to Associate Professor post and Prof. RB Gurav completed his PhD. He added his contract with AIT is going to conclude in next two days. The external members wished him luck for his future ventures.
- 24. He additionally informed about the placements status of the Mechanical Engineering students. For academic year 2021-22, 92% of the students from Mechanical Engineering got placed with average salary of 7.2 Lacks.
- 25. In his presentation, he showed the progress of the work on conversion of the CAR to electric vehicle.
- 26. He, also presented cut section of Maruti Esteem is added to workshop for learning students. This cut sections is first of its kind available for students learning.
- 27. Dr. Sansgiri informed to audience, that one of our students got felicitated

Dighi Hills, Alandi Road, Pune 411015

by Ministry of Defence. Defence minister appreciated work done by him.

- Dr. Sansgiri, showcased his work done through landmark consultancy project (Hand Cranked Defibrillator). This device can be used in remote places like in Defence applications and rural areas.
- 29. Prof V R Kulkarni Proposed the Vote of Thanks.

DEPARTMENT OF INFORMATION TECHNOLOGY

Minutes of Meeting for AAC Meeting held on 19-May-2023

Sr.	Discussion							
01	Dr (Mrs) Sangeeta Jadhav welcome AAC members – Mr. Sameer Dalal, Mrs. Kavita Nirna and Mr. Gaurav Pandey and all the students joined in the meeting. Initially Previous AAC meeting points and their actions were revisited.							
02	Industry-Institute Interaction / Industry —Institute Linkages - Discussion was carried out for sponsoring the project for final year students. Dr (Mrs) Sangeeta Jadhav pointed out that sponsorships for projects is required not in terms of stipend, but in terms of title selection, technical guidance on the project co-guide from industry etc. Mr. Sameer Dalal promised that joint collaboration/Partnership with institute is possible. Mr. Sameer Dalal will come with full details in few days. Mrs. Kavita said unfortunately such provision is not in her company due to strict policies/compliance, rules and regulations due to financial domain but internships opportunities are there in the company. Dr (Mrs) Sangeeta Jadhav explained the current policy of selecting the final year projects where students select the 2-3 titles/topics of projects and students presented the titles in front of the panel and then selects only one best suited title for the project. The Director pointed out that it is difficult to get live projects from the industry and as per current policy of selecting the best policy, topic strength/depth is limited to the experience of the guide, instead of one guide, if we associate one industry person or alumni along with the guide, it is always better to select best title of the project. Mrs. Kavita and Mr. Sameer Dalal suggested more involvement of alumni in projects is possible. Also experts from industry who are working as social responsibilities could be selected as a co-guide. Dr (Mrs.) Sangeeta Jadhav agreed for the same and associate Industry person/Alumni for the project. Also it is possible to start selection of project title of final year projects in third year second semester also. This will indirectly help the linkages between industry-institute interactions.							
03	Internships – Dr (Mrs) Sangeeta Jadhav pointed that internships are giving in credits in syllabus, students are supposed to do the internships in their vacation after the exam end and new term starts. Information about the college policy about the internships is discussed. 25 Working days leave/attendance is giving to the students to do the internships. Also If the Internships is very good in Level 1 company such as oracle, Microsoft and Aboard, six months leave/attendance is also sanctioned for the students case to case basis by the sanction							

of Director and Principal. Dr (Mrs) Sanggeta asks for any good opening of the internships available in your company. Mr. Sameer Dalal pointed out that challenge is there as our office is there in Thiruvananthapuram (Kerala), Also physical stay is required for students so students need to bear some cost. Dr (Mrs) Sangeeta pointed out that if there is some hybrid internships (few days online and few days offline) are available, it is good for the students. Mr. Sameer Dalal and Mrs. Kavita both agreed to check the opportunities of such hybrid internships. Mrs. Kavita said that minimum 2 months internships is mandatory in their company. Director clarifies that 25 working days can be combined with term holidays/break and Saturday-Sundays so students can easily do the internships for 2 months or 6 weeks without losing any academic work. Mrs. Kavita agreed to check such opportunities in her company.

04

Guest Lecture / Workshops for the students - Dr (Mrs) Sangeeta said that there is a policy of conducting short workshops for the students, but students are not interested for the workshop and student attendance is also low. Such workshops are partly funded by college and from the student fees. Mrs. Kavita said to collect some survey of the topics of the workshop from the students which are in-line with latest industry topics, it is better and students will also take interest and it will be beneficial to the students. Dr (Mrs) Sangeeta said that typically we carry out such survey of selection of topics from the students. We can enforce such workshops to the students as they are beneficial to the students. Recently we conducted one workshops of Blockchain and it was made mandatory to the students. Mr. Sameer Dalal said that software engineering and project management are the challenging topics and if the students are exposed to various aspects of software engineering and Project management, it will be beneficial to the students to become entrepreneurs as well as helpful in service. Mr. Sameer said that you can ask the choice to the students and if 40% students agreed to attend a particular topic then this will increase the participation and success rate will be higher. But the challenge is more number of workshops and managing such workshops will be difficult. The student members also agreed that such workshops are really interested and for few workshops student's attendance is also good. Also workshop on project management will be useful for implementing final year projects. Mrs. Kavita appreciated the syllabus of SPPU which is very good, but fundamentals/foundations need to make strong. Mrs. Kavita recommended that recent trends in industry are data science, data analytics, cloud

	computing, AI/ML etc. Mr. Sameer pointed that industry has the capability to accommodate each and every type of engineers. Individual performance of engineer will play an important role in it.
05	Proposal Writing – Dr (Mrs) Sangeeta pointed out writing and submitting the proposal rate in college is very less as many projects need industry support/consent. There are many funding available from AICTE, SERB, DST etc. starting from 5 lakhs but industry consent make the project strong and co-guide concept in this regard will be useful.
06	Finally Dr (Mrs) Sangeeta thankED all members for joining the meeting, sparing their valuable time and giving good suggestions in various aspects of students' progress.

Dr. Ashwini Sapkal

Dr Rabul Desai

REPORT OF REGIONAL ALUMNI MEET HELD AT NCR ON 16 JUL 2022

As a part of our mission of strengthening the relationship with all alumni members across the country, we are always keen to conduct small regional alumni meet at all metro cities.

We conducted the meeting of Alumni NCR region on 16 Jul 2022 at Hyde by Plan B, Gurgaon in which 39 alumni members participated. We had very senior alumni members even from 1999 batch. There were some alumni from defense sectors as well, who participated.

Attendance is attached herewith.

Discussions Points

- 1. As per feedback of NAAC, it was decided to form New Governing Council with equal representation from all 4 centres Delhi, Bangalore, Hyderabad & Pune.
- 2. It was decided to restart annual physical alumni meet from this December. Alumni Meets could not take place in 2020 & 2021 due to Covid Pandemic.
- 3. It was also decided to re-arrange and update the records of Alumni working in defense forces. The work is already started.

Prof Manoj S Khaladkar took the initiative to organize this meet. Photographs are also attached.

(Prof Manoj S Khaladkar) Executive Secretary

Alumni Association of AIT

TERMS AND CONDITIONS: -

- (a) Detailed Methodology for execution of following works will be in Lumpsum comprising in four stages: -
 - (i) Civil works
 - (ii) Sanitation & Plumbing
 - (iii) Electrification works
 - (iv) Fire Fighting
- (b) The material will have to be of good quality and conforming to the specifications. If found inferior/deviating from the Tender Documents clause and specifications, the same will be returned at your cost. Discount offered will be applicable with the same percentage for extra item/work.
- (c) Period of Completion of Work: The work should be completed in all respects with 12 months from the date of site handover to contractor. Please note that Contract can be cancelled unilaterally by the Director AIT in case work is not completed within the contracted completion period. Extension of contracted delivery period will be at the sole discretion of the Director, AIT with LD clause wherever applicable.
- (d) Liquidated Damages: In the event of the failure to submit Guarantees and Documents, complete the work, supply the stores/goods and conduct trials etc as specified in this contract, the Director AIT may, at his discretion, withhold any payment until the completion of the contract. The Director AIT may also deduct from the Contractor as agreed, liquidated damages to the sum of 0.5% of the contract price of the delayed/undelivered stores/services mentioned above for every week of delay or part of a week, subject to the maximum value of the Liquidated Damages being not higher than 5% of the value of delayed stores.
- (e) **Termination of Contract**: The Director AIT shall have the right to terminate this Contract in part or in full in any of the following cases: -
 - (i) The work is delayed for causes not attributable to Force Majeure for more than 12 weeks after the scheduled date of completion.
 - (ii) The Contractor is declared bankrupt or becomes insolvent.
 - (iii) The work is delayed due to causes of Force Majeure by more than 15 Weeks provided Force Majeure clause is included in contract.
 - (iv) The Director AIT has noticed that the Contractor has utilised the services of any Indian/Foreign agent in getting this contract and paid any commission to such individual/ company etc.
 - (v) As per decision of the Arbitration Tribunal.
- (f) Performance Guarantee: The Contractor will be required to furnish a Performance Guarantee by way of Bank Guarantee through a public sector bank or a private sector bank authorized to conduct government business (ICICI Bank Ltd., Axis Bank Ltd or HDFC Bank Ltd.) for a sum equal to 5% of the basic contract value within 15 days of receipt of the confirmed order. Performance Bank Guarantee should be valid up to 60 days beyond the date of warranty.

Contd ...3/-

- (g) Sample Approval: Material to be incorporated in the work will be as per make of material mentioned in Tender documents and specification.
- (h) Payment Terms: Payment will be released on recommendation of a Board of Officers detailed by AIT to check the work/ Stores as per the following schedule: -

(i) Minimum of Rs 35.00 Lakhs as per stages decided/actual work done for issue of interim certificates issued by BOO of AIT for making payments.

(ii) Payment Stages details are attached at Appx 'B'.

(j) **Defect Liability Period**. (12 Months) should be given. During this period the contractor has to ensure initiation for rectification in a reasonable period within seven days of the defect being intimated. Defect to be completed in a reasonable period as per the Engineering practice. The Customer may invoke the bank guarantee in case contractor fails to ensure rectification of defects within the reasonable period (20 days) of the defect being intimated. In order to ensure the quality during this period, contractor shall provide maintenance support the following: -

(i) Contractor will ensure that the quality will continue exactly the same

manner as at the time of acceptance.

(ii) Contractor will carry out preventive maintenance once in every 3 months during warranty period.

(k) Conditions during Defect Liability Period. The contractor should fulfil the following conditions during the warranty: -

i) Any complaint regarding work thereof should be rectified reasonable

period as per the Engineering practice.

(ii) If the correction process delayed beyond the reasonable period, penalty at the rate of Rs 500/- (Rs Five hundred only) per day will be charged or recovered out of the Bank Guarantee held towards the warranty. In case of any major damage for more than the reasonable period, Customer has the option to get it repaired from any suitable agency at the risk and cost to be borne by the contractor, which will be deducted from the Bank Guarantee due to contractor.

(I) TOTAL SECURITY DEPOSIT shall comprise of :-

(i) Earnest Money deposit - Refer Tender documents page No 19

(ii) Initial Security deposit - Refer Tender documents page No 19

(iii) Retention money - Refer Tender documents page No 20

(m) **TIME OF PERFORMANCE**: Within 07 days from the date of receipt of work order from the Employer and acceptance of tender, the successful tenderer shall be bound to sign an agreement, on Rs 1000/- stamp paper in accordance with the Army Institute of Technology, Dighi, Pune (Refer Tender Documents for agreement). The acceptance of the work order by the tenderer or the written acceptance of the tender offer of the tenderer by the Employer will also constitute a binding agreement between the Employer and the successful tenderer irrespective whether such formal contract is signed by & between Army Institute of Technology, Dighi, Pune and the contractor or otherwise. Time is the essence of this agreement and any request for revision of time of completion, will not receive any consideration.

Contd ...4/-

PARTNERS

- (n) RELEASE OF SECURITY DEPOSIT: 50% of the total security deposit will be released along with the final certificate of payments as stipulated in the Appendix to General Conditions of contract. Balance 50% of Retention money may also be released as stipulated in the Appendix to General Conditions of contract on submission of a Bank Guarantee from a nationalized bank to the satisfaction of Army Institute of Technology, Dighi, Pune for an equivalent amount. This Bank Guarantee shall be valid up to completion of defects/removal liability period of 12 months as per Pre Bid Meeting.
- (o) All other Terms and Conditions are applicable as per our Tender Documents dated 14 Feb 2023 rather than above.

MINUTES OF COLLEGE DEVELOPMENT COMMITTEE MEETING TUESDAY, 06 DEC 2022 (03:00 PM)

 College Development Committee (CDC) Meeting was held on Tuesday, 06 Dec 2022 at 03.00 pm under the Chairmanship of Maj Gen TS Bains, Chairman AIT. Following Members were attended meeting: -

Ser No	Name of Member		Status	Attendance
(a)	Maj Gen TS Bains	-	Chairman, AIT	Yes
(b)	Brig Abhay A Bhat (Retd)	-	Director, AIT, Pune	Yes
(c)	Dr. SR Dhore	-	Head of Department (Comp), Nominated by Management	Yes
(d)	Dr. Sangeeta Jadhav	-	Representative of Teaching staff AIT (LR)	Yes
(e)	Asst. Prof. Anup Kadam	-	Representative of Teaching staff AIT	Yes
(f)	Asst. Prof. Girish Kapse	-	Representative of Teaching staff AIT	Yes
(g)	Mr BD Sonawane	-	Representative of Non- Teaching staff AIT	Yes
(h)	Prof (Dr) Seema Tiwari	-	Co-ordinator IQAC	Yes
(j)	Mrs. Jyotsna H Garge	-	Member Nominated by Management	Yes (Online)
(k)	Dr. Nitant Mate	7	Member Nominated by Management	Yes
(1)	Dr. SE Talole		Member Nominated by Management	No
(m)	Mr. Vijender Yadav	-	Member Nominated by Management and Aluminous	No
(n)	Prof (Dr) BP Patil	-	Secretary CDC, Principal, AIT	Yes
(0)	Mr. Abhishek Kumar Meel	-	President, Student's Council	Yes
(p)	Mr. Atul Singh	-	Secretary Student's Council	No
(q)	Col Anupam Mathur	-	Dir AWES HQ SC, Invited Member	Yes
(s)	Col MK Prasad (Retd)	(-	Jt Director, Invited Member	Yes
(t)	Prof (Dr) Swati Kulkarni	(- e-o	HOD ASGE, Invited Member	Yes
(u)	Dr. GR Patil	-	HOD E&TC, Invited Member	Yes
(v)	Dr. UV Awsarmol	-	HOD Mech, Invited Member	Yes
(w)	Prof Manoj Khaladkar	-	TPO, Invited Member	Yes
(x)	Ms. Isha Tyagi	-	Ladies Representative Student's Council, Invited Member	Yes

Welcome Address

- 2. The meeting started with welcome address by Dr BP Patil, Principal and Secretary CDC. Principal welcome all the CDC Members who are newly appointed and also Welcome the New Chairman Maj Gen TS Bains and introduced new Chairman of CDC.
- 3. Principal briefed about the role of CDC as given in the Maharashtra Public University Act, 2016.

411015

Progress on Previous Agenda Points

- 4. <u>Draft Outline of Budget for FY 2022-23.</u> The Principal mentioned Budget approved in last CDC was implemented for AY 2022-23.
- 5. <u>Internal Audit Academic</u>. As discussed in last CDC meeting training for Audit was conducted. One internal audit was carried out and second audit is going on.
- Pts from Students. No points were given by students in last CDC Meeting.
- 7. Points from the Teaching and Non-Teaching staff. The progress and closure on the pts is as follows:-
 - (a) As Per State Govt Circular DA required to be Increased by 25%. The issue raised with COAS and HQ AWES. Suitable reply has been given to members after due deliberation at highest level. Decision regarding DA is based on directions of HQ AWES and BOA HQ SC.
 - (b) As Per DTE/ State Govt /AICTE/ UGC 7th CPC Should be Implemented. Executive orders for implementation have been received from HQ AWES. Implementation details have been conveyed to the employees. Matter discussed in open house on 26 Aug 2022. Option certificate sought from employees by 20 Dec 2022. Elected representatives pointed out that today itself notice is issued about this. The Director informed that notice has been issued with option certificate after clearance by HQ SC (BoA).
 - Implementation of 360 Degree Feedback Only After 7th Implementation as Per AICTE. This feedback system has been implemented to benefit the faculty. Most faculty have conveyed acceptance and appreciation of the same. It is also in sync with the AICTE Gazette Notfn. AWES has also approved the same. Elected teacher's representatives questioned whether the AICTE 7th CPC implementation order includes the 360-degree feedback. If so it should be implemented only after implementation of 7th CPC. The Principal explained that the 360 degree feedback is to be included along with the ACR and has been done in AIT wef AY 2020-21. Actually the 360-degree feedback concept is in force from the date of AICTE gazette notification (i.e. 01 Mar 2019). He further mentioned that SPPU too is insisting on providing 360-degree feedback when the teachers are appearing for CAS committee interview. There was however disagreement from the elected members (Prof Anup Kadam and Prof Girish Kapse) on this issue. CDC faculty members said that we are not against this implementation but we want both parts i.e. 360 degree feedback and 7th CPC be implemented simultaneously. Chairman explained that as per management view the 360-degree feedback is not linked with 7th CPC implementation. Members can have different view and can approach AICTE or any other suitable authority for clarification. Prof Girish Kapse also suggested that 1st preference should be given to regular and fulltime SPPU approved staff while appointing committee I/C or head, as this faculty are only eligible for CAS.
 - (d) Implementation of CAS Policy as Per AICTE. Policy Not to be Modified at Institute Level. CAS policy is based on AICTE guidelines only. Details of evaluation have been worked out by a committee headed by one of the members. Fresh revision has been ordered and will be put up for approval. Prof Girish Kapse raised the issue of certain clauses related to "Discipline" which had been added by AIT for CAS promotion. The Chairman clarified that AICTE has given guidelines for CAS and can be considered as minimum requirements. AIT has raised the bar to maintain

quality and ensuring proper adherence to rules and regulations as well as discipline. Members may have objection to these clauses, which they may raise with appropriate authorities. Any such points may also be given to committee which is revising the CAS policy. Prof Kapse and Prof Anup Kadam again reiterated that CAS policy should be exactly as per AICTE notification.

- (e) CDC Members Must be Informed about Formation and the Outcomes of Various Committees Formed in AIT. All relevant decisions are shared with affected members and with HOD's. All notices are also available on AIT website/ERP. There is no requirement to share all administrative decisions with the CDC members. There is no mention of such requirement in Maharashtra Public University Act, 2016. CDC faculty member Prof Anup Kadam mentioned that there is role for CDC to give recommendations regarding recruitment of Administrative staff. He also said that we need to know certain information which are required to be communicated for smooth functioning of students and staff. We don't expect any confidential matters to be shared with us. CDC members suggested that notices related to sport, academics etc, should be separately addressed to the CDC members. The Chairman asked if such inclusion in the addressees is obligatory. To this, Prof Anup Kadam replied in the negative. The Chairman stated that the current mechanism is appropriate.
- (f) GRC, Why a Full Time UGC Approved Professor is Not the Member of GRC from Institute. Nowhere it is mentioned that we have to appoint UGC approved Professor. Appointed faculty is SPPU approved full time Senior Faculty.
- (g) <u>Faculty Promotion Must be as Per SPPU/ AICTE/ DTE Norms.</u> Committee and higher management have ensured that all norms are followed. There is no deviation.
- (h) HoD Post Should be On Rotation Basis and That is For Only Approved Staff. The issue was discussed and the majority opinions was current system is functioning fine. Prof Girish Kapse suggested that, this will help more eligible faculty with PhD qualification to get administrative experience. Due to majority opinions, there is presently no need to have HoD post on rotational basis.
- Passing of previous CDC meeting agenda points were proposed by Dr Sunil Dhore and seconded by Dr Nitant Mate.

Activity Report (Mar 2022 to Nov 2022)

9. <u>First Year Admissions.</u> First Year admissions for all branches was carried out for AY 2022-23. Chairman enquired as to why the no. of applicants have reduced compared to previous year? The Principal mentioned that while the figures displayed were of the valid application forms only and there were many more invalid applications. The Director added that there are many other reasons. He clarified that few possible reasons include; delay in admissions at AIT due to delay in JEE (Mains) results, traditionally high cutoffs of Comp and IT dissuading many parents to apply for AIT; many Engg colleges opening up in all parts of country etc. He hoped that with increase in intake of IT there will be more applications next year as IT is a popular course. He further submitted that AIT will analyze this trend in more details. Status of the admission was given in Table 1:-

TABLE 1

Sr	DADAMETERS	ADMISSION YEARS						
No	PARAMETERS	2018	2019	2020	2021	2022		
(a)	Total Applications	3,229	4,055	2,619	2,691	2,283		
(b)	Vacancies	300	300	360	360	360		
(c)	First (JEE) Merit admitted	7,764	11,913	17,739	16,304	16,459		
(d)	Last (JEE) Merit admitted	1,11,326	1,13,952	1,78,406	2,34,962	2,34,455		

10. <u>FDP/ Workshop/ Seminar Attended by Faculty.</u> During mentioned period, faculty attended FDP/ Workshop/ Seminar which was organized by various colleges for upgradation of skills and knowledge of faculty. Chairman enquired if any targets are set for FDP/ Wksp/ Seminar. What is the achievement level? The Principal explained that the targets are part of Annual Quality Assurance document which will be presented later as per Table 2 given below. The Chairman further directed to work out the plan for next year.

TABLE 2

Ser No	Activity	Comp	E&TC	Mech	IT	ASGE	Total
(a)	One Week	05	26	02	04	0	37
(b)	Two Week or more	10	05	01	02	4	22
(c)	01/ 02/ 03 Days	07	16	00	61	2	86

(d) FDP/ Workshop / Seminar conducted by AIT : 19 (e) Faculty As Resource Person : 09

(f) Faculty Completed PhD : 02

- (g) Dr (Mrs) Seema Tiwari, Faculty (Chemistry) has been awarded an International Excellence Award 2022 for outstanding contribution in Teaching and Research.
- (h) AIT awarded Best Academic Institution by World Education Congress on 30 Sep 2022.
- 11. **R&D Activity.** To improve the R&D activities in the Institute, management has taken various steps such as spreading awareness regarding important R&D activities, more PhD registered faculty, Research incentive policy, motivation letters (for those who were not contributing adequately) as well as complimentary letters for those contributing effectively, IPR policy, Quality publications etc. It is evident from the table that the activities have substantially increased over last two years. The Principal also submitted that AIT would be focusing on encouraging more quality publications, patents and consultancy in current AY. R&D activity listed in Table 3.

Student Achievements.

- (a) Team of Akash Bhati, Arun participated in the event Smart Bazaar 11th CSI INAPP International Project Competition and stood on First Position both are from BE IT.
- (b) Nalin Mahala from BE IT participated in three events and stood First position in all three events i.e. Introduction to Basic Game Development using scratch, Create a Resume and Cover letter with Google Docs and GFG Event.
- (c) Dipankar Singh, Akash Singh and Sambhav Kumar from TE IT accrued first position in the event ICPC Amritapuri Regional Zone.
- (d) Manish Ambati from SE IT is amongst 20 winning team in the event organized by Vodafone Foundation, Tech Innovation Marathon 2022.
- (e) Shekhar from BE IT is winner of UNESCO India Africa Hackathon 2022.
- (f) BE E&TC student Ravindra Singh qualified for the grand finale of SIH 2022 and winner for the same.
- (g) Shekhar Ku Singh BE (IT) Receiving Award from Hon'ble Vice President and Union Education Minister, on 25 Nov being part of Winning Multi-national team of the UNESCO India Africa Hackathon. Problem Statement "App to Monitor Soil Moisture using a Standard Digital Image and Machine Learning Technology"
- (h) Munukoti Likhit of BE Comp and Maneesha Ambati, SE IT are amongst 20 winning teams out of 500 in Vodafone foundation, Tech Innovation Marathon 2022. They won Rs 2 Lakh.
- (i) AIT girls got 1st position in SPPU District Table Tennis (Women) Intercollegiate Matches held on 15 Oct 2022.
- (j) AIT Mens' Basketball Team got 3rd Position in District Zone Competition held in Nov 2022
- (k) AIT Boxing Team Participated in SPPU Competition in Nov 2022, Janvi Rathi & Ganga won Gold and Silver medal respectively, Varshit Goud and Avinandan Kumar won Silver Medal, All are selected for Zonal.
- AIT Badminton Girls' Team stood Third in the SPPU Districts Zone 2022-23.
- (m) AIT Team "Dr White Lemon" won the 1st prize in "CAPTURE THE FLAG" (CTF) event in Symbiosis Centre of IT on 01 Oct 2022.
- (n) Mr Piyush Sunil Sharma, ME(Design) 2nd yr awarded Best Pn Cert in RDME-2022 Conf for "Frequency Response Driven Design and Development of the Battery Package Module for Retrofitted Electric Car".

- (o) Mr Nitish Rai, Alumnus 2009 Mech, founder FreightFox, which is an integral part of National Logistics Policy Launch 2022 demonstrated the data and platform capabilities to Hon'able Prime Minister of India on 17 Sep 2022. They were among the 4 companies to whom PM interacted 1-on-1.
- (p) AIT team comprising 06 students won 1st prize and cash award of Rs 1,00,000/- in Smart India Hackathon on 26 Aug 2022.
- (q) Participation of students in various events is as listed in Table 4

TABLE 4

Ser No	Technical Event	Organizer	Participated Students	Class	Position	Month-Year
(a)	Other Technical	Uber	Roshan Rai	BE IT	finalist	March-2022
(b)	Coding Competition	Coding Ninja	Saurav Chauhan	BE IT	10th	March-2022

(p)	Zuno Fellowship Program	Monster India	Mahipal Singh	TE	Platinum Winner	Aug 2022
(q)	Zuno Fellowship Program	Monster India	Manish Kalyan	Comp	Silver Winner	Aug 2022

13. <u>Purchase of Amb Veh.</u> AIT Purchased Ambulance Vehicle for Student with following details:-

(a) Make/Type :

TATA Winger AMB PT BS6-7+P AC SI

(b) Vendor

Sehgal Wheels Pvt Ltd, Pune

(c) Cost

Rs 17.95 Lakh

14. <u>Placement Details</u>. Principal briefed about the Placement activity and excellent results achieved despite pandemic situation this year. High placement percentage, avg salary and placements of large No of students in high value companies are the highlights. Refer Table 5 below:-

TABLE 5

Ser No	Details	2022 – 23 (as on 30 Nov)	2021 - 22	2020-21	2019-20	2018-19
(a)	No of Industries Visited	61	93	87	69	70
(b)	No. of students selected	251	305	260	313	245
(c)	Placement Percentage	86	97	91	92	90
(d)	Maximum Salary (LPA)	52.00	112.14	39.00	39.00	39.00
(e)	Overall Average salary (LPA)	14.70	14.70	9.45	7.30	7.15

15. Branch wise placements are given below :-

Ser No	Percentage Plac	ement A	Y 2022-23	(Till Dat	te)
(a)	Branch →	Comp	E&TC	IT	Mech

(b)	Placement Percentage	85	94	83	84
(c)	Overall Placement		86.	50%	

16. Chairman expressed happiness that the placements are very encouraging and appreciated the role of faculty members, TPO and all concerned. On being asked by the Chairman if students are happy with this state, the Student President expressed satisfaction that despite effects of COVID in the job market, the placements in AIT are good. He attributed the success to the ecosystem of AIT, guidance received in clubs, mentoring by senior students, alumni and also the efforts of faculty. TPO expressed that the faculty role is vital in ensuring development of fundamentals as well as the role of TPO office which conducts special training, strategizes the sequencing of industries for placements, and connecting industries through social media. The Student President also mentioned that the good work by alumni in respective industries, lead to them wanting to recruit from AIT repeatedly.

Discussion on Agenda Pts

17. Agenda Point 1: Staff Requirement for AY 2023-24. The Principal stated that AIT needs to recruit more staff and faculty next year due to increase in student strength, of E&TC, ME (Data Science), new division of IT as well as to cater for some retirements. The requirements are tabulated below:-

TABLE 6

	FACULT	Y (Ideal FSR 1:15; Min 1:20.), Current Str = 83	
Ser No	Particular	Branch	No. of Students	Faculty Required
(a)	Natural Growth	Natural Growth BE (E&TC)		04
(b)	Natural Growth ME (Data Sc), Comp		24 + 24 (48/15)	03
(c)	Increase in Intake	IT Dept (FE IT)	60 (60/15)	04

TABLE 7

	TECHNICAL STAFF

(a)	Current Str.	10	06 LA + 01 Prog	09	03 (Instr)	04		
(b)	Required	01	01 LA + 01 Prog	01	02 (Instr)	00		

TABLE 8

	ADM	INISTRATIVE	STAFF	
Ser No	Category	Holding	Addl Staff Reqd	Remarks .
(a)	LDC	08	03	Inescapable functiona Requirement
(b)	Peon	17	04	-do-
(c)	I/C Maint (B&R)	01*	01	*JE(EM) held
(d)	Driver	05	01	For Amb Veh
(e)	Nursing Asst	01	01	1@1000 students
(f)	Asst Warden (Hostel Attd)	06	06	For Boys Hostel
(g)	Lib. Asst.	02	01	for Evening Shift/ Holidays (Imdt regmt)
(h)	Project Offr (03 Years)	01	01	for Infra Devp - Hostel constr & Acad Devp

18. Requirements of various staff was discussed in detail during the meeting. Prof Girish Kapse raised an issue as to why Principal is included by AIT as part of E&TC Dept, inspite of the fact that NBA and NAAC committees do not count him in their student to faculty ratio calculations? Principal told that him that he is taking project load, PBL load contributing in Dept. Being an approved Prof in E&TC he is associated with the Dept. The Chairman ruled that recruitment can take place as per justified requirement in AY 2023-24 and proposal for recruiting nonteaching staff can be put up on file to Chairman separately. For urgent recruitment, AIT can go ahead with the procedure as per extant policy. Please refer Table 7 (Technical Staff requirements): As there is a requirement of programmer in IT and other department, Prof. Kapse also mentioned that there is an underutilization of highly technical and skilled person who is working as PA to Principal. The person who is working as PA to Principal, earlier he was a programmer in IT Department, can be utilized again as programmer in IT/Mech department and any person (with computer skills) can be appointed as PA/clerk at Principal office. The same point was also strongly supported by Mr. B D Sonawane and Prof. Anup Kadam. Honourable Chairman has taken a note of that.

19. Agenda Point 2: Internal Audit – Academics. The Principal requested Dr Seema Tiwari, Coordinator IQAC to present Annual Quality Assurance Report (AQAR) for AY 2021-22. Dr Seema Tiwari presented the Quantified Target list and explained all the details as per given in Table 9.

TABLE 9

Ser No	Plan of Action	Achievements/ Outcomes
(a)	Consistently Good Results A. 97% All clear and >98% First Class to Final year B. FE to TE, ATKT per Dept. to be <5%	A. Achieved for SE to BE only FEs 82% B. Achieved for all years
(b)	Placements Benchmark Placements > 95% with 60% in high end companies	Achieved - 97% Placement
(c)	Motivate Students for Higher Studies Conduct one workshop/seminar for motivating students for higher studies	Achieved

Ser No	Plan of Action	Achievements/ Outcomes
(d)	Value Added Courses, MOOC One MOOC per student by third year students	Achieved - 98% achieved for TE & 100% for SE students
(e)	Promote extra & co-curricular activities and entrepreneurship 8-10 Prize winners in National Level Technical competitions Start-up by students – 04	Achieved 33 06 Startups in college
(f)	Infrastructure up gradation Continuous infrastructure up gradation	Achieved Waiting room, Dormitory, Additional Dining Hall, Renovation of toilets, American Lawn in Cricket ground
(g)	E-learning facilities ICT about 50% of instruction	
(h)	Green Environment Initiatives One green environment initiative per year	Achieved - 300 trees were planted
(j)	Promotion of Research and consultancy culture A. Faculty with PhD - 30% B. PhD Guide - 10% C. Research papers - One/Faculty/Year D. Patents/Copyright - One/Dept/Year	A. Achieved with 33% B. Achieved with 12 % C. Not achieved - Journals : 20 Conference : 46 D. Achieved - Patents : 14 Copyright : 02
	E. Consultancy - Rs. 1 Lakh/Dept/Year	E. Achieved by Computer Engg. Mechanical Engg

- 20. Discussion took place related to following parameters:-
 - (a) Academic Results. On the query of the Chairman, the difference between "All Clear" passing and passes with ATKT was explained. It was also intimated that generally ATKTs are more in First Year (FE), and Second Year(SE).
 - (b) <u>Placement Benchmarks</u>. While appreciating the excellent placements and surpassing the targets, the Chairman queried about classification of companies as "High End". The TPO clarified that "High End" companies are those which not only provide excellent salaries, but also those which provide excellent long term career boost for students in their respective fields. These include MNCs, product companies and Consultancy based companies apart from enterprising startups. On the other hand, bulk recruiters which are essentially service based companies are not classified as high end companies.
 - (c) <u>Higher Studies</u>. It was observed by Dr Mate that Higher studies target need to be set in terms of students opting for higher studies and not in terms of

workshop/seminar conducted in Dept. This was agreed to by the management and Chairman directed to put up data wrt the same.

- (d) MOOC Courses. There were various viewpoints regarding setting targets for MOOC. Prof Kapse and Prof Kadam suggested that we could set a target at one per semester. Views were expressed by the Director and Dr Dhore. Director suggested that as it is students are undergoing such courses for self-improvement/skill acquisition and registration fees are compensated from Value Added Course fees. Setting too ambitious target for such parameter may not achieve desired result. Dr Dhore suggested that requirement in MOOC courses should be linked with gap Analysis of the Syllabus being carried out. Some courses are very short duration, only to acquire some skills and some relatively longer duration courses of 3 months or more duration are more useful from career development point of view. Student members also expressed similar views about the courses. The Chairman ruled that based on internal recommendations of the Depts, the targets may be appropriately revised.
- (e) Extral Curricular Activities and Entrepreneurship. The Chairman complimented all concerned incl students and faculty for far exceeding the targets and winning many hackathons and tech competitions. He was informed that faculty is putting a lot of effort towards these activities and also documenting them appropriately using ERP and MOODLE platform.
- (f) <u>Targets Related to Research and Consultancy.</u> There was a consensus that the targets related to PhD need to be increased, now that earlier targets have been achieved. Similarly major boost is required in Patents and Consultancy also. Principal mentioned that with release of the comprehensive IPR policy and incentives included, we hope to see major boost in the same.
- 21. Dr Nitant Mate observed that the targets set each year by IQAC are very easily achievable. He felt that it is necessary for the institute to set targets which are nearly impossible/ difficult to achieve and ensure that every one strives very hard to achieve them. He added that capabilities and potential of the faculty should not be underestimated. He also expressed that Consultancy target of 1.0 Lakh/ Dept is too small and it should be raised to at-least Rs 20.0 Lakh. Also target for faculty with PhD qualification can be raised to 50%. He further suggested that some arrangement can be made where faculty can work in industry for 2-3 months and gain valuable on ground experience and they can gain confidence for carrying out consultancy. Agreeing on the observation and suggestion of Dr Mate, the Director also pointed out that NCSC R&D project of Comp Dept has boosted the confidence level and few companies are approaching the Dept for consultancy. The Chairman directed that all these recommendations and suggestions should be taken into account while setting the next year targets and approval be obtained on file.
- 22. <u>Agenda Point 3: Infrastructure Development For Next Year.</u> Proposed plan for infrastructure development for next year keeping in mind the future growth plan and increase in intake has been prepared as at Table 10:-

TABLE 10

Ser No	Details	Amount (in Lakh)	Remarks	
(a)	Setting up Exam Cell	25	Carry fwd for autonomy	
(b)	Incubation Centre & Robotics lab	30	Robotics Lab

(ad)	Construction/upgradation of Lab in Mechanical Lab	20	Mech
	TOTAL	920	

23. Dr Sangeeta Jadhav flagged the requirement of a multipurpose lab, which can be used for seminars, workshops and such activities. The Director agreed to the suggestion and proposed that new IT Dept labs, included in the proposal, can be created in such way that they can be used for conducting workshop/ seminar. On the query raised by Prof Kapse, the Director clarified that the infrastructure projects are funded from the Development fees charged from students. College can charge up to 15 % of tuition fees as development fees as per Justice Srikrishna committee norms (approved by AICTE). These accumulated funds are required to be used for future development and growth. The Chairman enquired whether AIT gets some funds from Govt agencies/ University. The

Principal clarified that Modernization and Removal of Obsolescence grant (MODROB) is usually received from AICTE for development of labs for the Dept of IT, E&TC and Mech. Depts. When enquired as to which Dept got latest funds Dr Jadhav confirmed that they had received Rs 18.5 Lakh in FY 2020-21 for Ubiquitous Computer Lab. Normally a Dept gets such funds after three years only. Dr Nitant Mate suggested to tap industry or Govt funds for getting research funds/ funds for labs etc. The Director assured him that AIT has received some such funds in past, at a meagre scale compared to other more reputed colleges. The NCSC project being undertaken in the Comp Dept has also substantial component of hardware which will be a good addition. It was also suggested that Alumni can be asked to contribute if possible. Fund like FIST (Fund for Improvement of Sci &Tech) can be useful, but these are provided if college has PG and PhD program. Dr Mate mentioned that EV lab, which has been created using donated funds, can be used for generating revenue by providing facility of such as battery testing. Labs and equipment infrastructure can be used for consultancy and revenue generation.

Prof Girish Kapse and Prof Anup Kadam enquired as to why the Main Gate requires renovation as it was constructed only 7-8 years back. Jt Dir explained that some faults have developed, but added that this requirement is not urgent and will have a low priority. Prof Kapse suggested that curtailing development fees will reduce overall the fees of student. However Director AWES mentioned that no further reduction is feasible; more so as there is a cap on increase of fees beyond 5 percent per year. Final proposal for infra development for AY 2023-24 will be incl in the proposed budget, after due evaluation and inputs from all concerned. Based on queries and concerns expressed by Prof Anup Kadam and Girish Kapse, the Director clarified that the draft budget is under preparation and will be placed before the CDC, prior to being sent for approval to HQ Southern Comd. Prof Kapse and Prof Kadam suggested that, infrastructure development comes under CDC according to Maharashtra Public University ACT 2016 and therefore need to take approval in CDC for each and every project in AIT. The Chairman mentioned that while CDC has a role in proposing the budget and suggesting better ways of utilizing funds, they cannot be carrying out every task in the procurement/ development/ audit cycle. Different committees have to do these tasks. Dr Sangeeta Jadhav agreed and mentioned that it is not possible and desirable for CDC to monitor each and every thing. With reference to the PPT shown in the meeting on "Infrastructure development for next Year". In this ppt it's specifically mentioned that the main gate of AIT was constructed "25 years back" which is not true therefore Prof Kapse and Prof Kadam specifically highlighted that around 8 to 10 years back the main gate of AIT was constructed under the supervision of Col Karodpati (Retd) and therefore no need to spend Rs. 15 lakh on the renovation. This point was well noted by Chairman. But Jt Dir told that we are not constructing new gate but some rework/broadening at the entrance is required so that it is projected, however less priority can be given to this work. Prof Girish Kapse expressed that college should highlight amount spend on Rain water harvesting project which was done over 3-4 years time period.

Points from Students

- Students raised points/ requirements through President of Student Council as given in succeeding paras.
- 26. Athletics Track. Students projected a requirement of a proper athletics track for the students. It should consist of a Kho-Kho, hurdles, long jump etc. It was explained that prior to lockdown a 400m track just outside AIT fence was created. The same has not been maintained for last two years. As the land belongs to TB2/ BEG, AIT will have to resurrect the track with assistance and permission of TB2. In the meanwhile for specialist athletic sports such as hurdles and throws, we have been approaching TB2 for permitting their

facilities as they have an Olympic grade track. The Director also informed that it is planned to prepare a comprehensive five-year sport development plan, on the lines of academic growth plan.

- 27. Room for Student Council/Clubs Heads. Requirement of a separate Room for Student Council Heads/ all clubs with necessary equipment's like printer, sitting arrangement, UPS etc was projected. The Principal mentioned that the room Near to IQAC Office Cell can be used; however requirement of providing Printer, UPS will be examined based on justified usage. As of now, any requirement of clubs for printing and copying is met by the Xerox center in the academic block. Expenditure is reimbursed on production of bills from club budget. It is felt that such mechanism is appropriate and adequate.
- 28. <u>Badminton Court.</u> Students wanted another Badminton Court as the strength of the college has increased. Point Noted. The requirement has been included in next yr infrastructure development plan. Open space in Academic Block with partial covering will be used. Adhoc badminton court made in workshop can also be used for practicing inspite of low ceiling. The Chairman clarified that, it must be understood that creating permanent structures will take considerable time due to the status of land.
- 29. <u>24x7 Open Labs</u>. The students wanted at least one lab to be open 24X7 for the students preparing to participate in various external events like hackathons etc. The Principal clarified that while such generalized free approval cannot be granted, AIT has been according permission to keep labs and other facilities (e.g Robotics lab and Supra/Baja labs) open till late in the night, as per requirement based on recommendations of HODs/ club in charges. The same system will continue. At present IT Dept project lab is used by students 24x7. A responsible faculty/ lab assistant has to be present. Proper log book is maintained to monitor usage. R&D lab which is created behind workshop can also be used by students provided that they take responsibility.
- 30. <u>Flood Light Facilities</u> Students wanted night illumination / floodlight facilities in sports grounds including Cricket Nets, Football, Volleyball, Kabbadi etc. The Principal intimated that the requirement will be incl in Sports devp plan. Whatever is within reasonable budget will be done.
- 31. <u>Tracking of In-Out</u> Proper automated system for recording students in-out movement should be there in all the hostels. The student representatives were asked to create an app for the same, which could be integrated with the new ERP under implementation. Abhishek Meel, the student president accepted this challenge.
- 32. Construction work in Academic Hours Construction work/ Infrastructure development in academic block should be done post academic hours. The Point is noted. However, minor and urgent works have to be done in academic hours only. Also, it is very difficult to get work done in the night / holidays as labour cost doubles up. However care will be taken that there would be minimum disturbance during classes and lab session.
- 33. <u>Wi-Fi</u>. There has been an increase in demand post COVID, therefore dedicated Wi-Fi zones should be setup inside the campus including hostels and Open Air Café. Dr Dhore explained that, the problems of inadequate coverage of WiFi in some rooms has been studied and identified it is because of the construction design. Comp Dept has conducted detailed survey and identified common zones in hostels where students can sit and use the facilities any time. Due to security reasons it is not recommended to have such zones outside hostels/ academic block.

- 34. SOP for Club Activity. A Proper SOP should be strictly followed by all the clubs and the club in charges. Club-staff-in charges should guide the newly appointed secretaries. The Principal asked the Student Council to take initiative and frame SOPs which will be approved by the Director. This is very good point and student perspectives/difficulty can be sorted out by participation of student reps in framing such SoPs.
- 35. Addl Phy Dir/ Coach. Requirement of one more Physical Director/ sports coach (if not full time), is there and such requirement is more acute before district and zonal. The Principal intimated that management will examine the requirement of some part time coaches. Even few alumni had expressed that they are ready to train our students if approached. Some coaching will be conducted in due course.
- 36. <u>Dustbins in Campus.</u> Students raised demand for more dustbins in the campus. Principal intimated that NSS club will be asked to carry out survey for additional Dustbins. However unfortunately we find students littering in areas where there are adequate dustbins. Student council must take efforts to educate the students.
- 37. Alumni Cell. An additional Point was raised by the students regarding maintaining and updating data in respect of Alumni. A separate cell, may be established for the same. The TPO informed that there are adequate mechanisms in the alumni council and TPO office for the same. Alumni should take responsibility to run alumni activities and should not depend on students/ AIT office staff. Model of Alumni cell of IITs and NITs can be studied to so alumni connect can be further enhancing.

Points for Discussion from Teaching Staff.

- Teaching staff raised points through elected reps as given in succeeding paras.
- 39. Harassment of CDC Members by Issuing Memos, Advisory Note, or Other Individual Level Notices. Chairman directed that this issue will not be discussed during CDC the meet as separate application on the same subject has been submitted by the three elected members. CDC members requested the Chairman that they want a separate meeting with him. Chairman said that he will allow such meeting and interact with them during such meeting.
- 40. 6th CPC DA Curtailment. The CDC elected reps appealed that 6th Pay DA should be implemented as per government norms till the implementation of 7th Pay CPC. The Chairman informed all concerned that decisions regarding 6th CPC DA/ 7th CPC have been taken at management level. The CDC members have approached the COAS Sectt, and their petition has been reviewed at the highest level and decision conveyed to them. The process of arriving at appropriate calculations for fixing the salaries and DA was discussed in detail by the Chairman. While appreciating that the employees desire for full DA and allowances is well understood, the present arrangement has been worked out after due consideration by management.
- 41. 7th CPC Should be Implemented as Per SPPU/ DTE/ State Govt/ AICTE. CDC members requested to implement 7th CPC as per Govt norms. Mr. Sonavane referred to Supreme court judgement of 1994 which contained a statement "AIT is to function at par with government college" and therefore AIT administrative must give us a salary and facilities as per the government college. Mr. BD Sonawane further expressed that when all parents are to getting benefits of 7 CPC pay scale, so AIT staff should also get benefits accordingly. The Chairman ruled that decision has been taken by AWES and BoA keeping in view all aspects of efficiently managing the institution; as AIT is a private un-aided institution.

- 42. TA/ CLA Should be Implemented as Early as Possible and Previous TA/ CLA Should be Given with Interest. This issue had also been taken up at the highest level and decision conveyed that status quo to be maintained.
- 43. All Leaves as per the SPPU Statutes Should be Given. It was intimated that AIT is following the correct norms as per UGC notifications.
- 44. <u>CAS Policy.</u> Implementation of CAS Policy as per AICTE norms. Issue already discussed earlier.
- 45. <u>Motivation Letter Should Not be Issued to Demotivate the Staff</u>. The Chairman reiterated that the aim of this letter is not to demotivate or target anyone but remind about the R&D targets in a polite manner. Review can be undertaken to reword the title and contents of the letter to avoid any misunderstanding.
- 46. **QIP Policy.** QIP policy should be implemented as per AICTE to promote research culture in the institute along with proper pay scales. The Principal intimated that due to financial constraints it is not feasible to implement this policy. This will entail sending a faculty on paid Study Leave for 2 years and spending additional amount on employing another faculty in lieu for the duration.
- 47. HOD post should be on rotation basis and that is for only approved staff. The Principal mentioned that the current policy is appropriate for AIT. Most experienced and qualified teachers are HoDs. While such method is possible in IITs where there are many qualified, senior teachers. The Chairman directed that status quo be maintained.
- 48. Additional Point. Prof Kapse raised the issue of improper mattress issued to FE students which may have led to bed bug menace. It was clarified that the issue was discussed in Extended Student Council Meet (ESCM) and resolved. Mr Abhishek Meel, President confirmed the same.

Points for Discussion from Non-Teaching Staff.

- 49. Non-Teaching staff raised points through elected reps as given in succeeding paras.
- 50. Harassment of CDC Members by Issuing Memos, Advisory Notes, or other individual level notices. Matter discussed earlier.
- 51. Class IV Employee Posts are Vacant and Not Filled Till Date. Applications have Already Been Submitted to the Principal Office with All Signatures of Class IV Employees. Approval of CDC obtained as agenda point to fill up vacancies.
- 52. 7th CPC Should be Implemented as Per SPPU/ DTE/ State Govt/ AICTE. As discussed earlier.
- 53. Provide Uniforms for all Peons and Attendants should be given. The Principal confirmed that uniforms are provided every 2-3 yrs for Peons and attendants. Measurements have already been taken and preparation of uniforms is in process. Mr Sonawane said that two peons who are working as a clerk should also be given uniform. CDC members said that K Prakash who is Lab Asst can be promoted to Tech Asst. Chairman directed that all these details be put up to him on file and he will examine thereafter.

Available and Due to that Current Attendants are Overloaded. The Joint Director explained that as discussed in Agenda Point I, we have already projected the requirements. We need to increase No of Attendants. We have deployed one Security Guard in each hostel. We will look into it and if required adequate no. of attendant will be employed. We also need wardens who need to stay inside in campus.

Closing Remarks by Chairman

- 55. The Chairman complimented all the staff, placement cell for excellent team work. He mentioned that he was getting very good feedback from the environment due to employees and students hard work. He added few more points in his address as follows:-
 - (a) We need to strive hard to take this institution at a much higher level. At the end team work will win.
 - (b) Our approach should be student centric.
 - (c) I am open to constructive suggestion/ criticism. Let us work towards the academic growth and excellence.
 - (d) Along with increase in seats, we need to improve the quality.
 - (e) We are working on autonomy which will help in growth and improvement, however it may take time.
 - (f) Management want to work in positive manner so as to meet the aspirations of students, staff and faculty. Wherever we are unable to meet their requirements we will try to find out appropriate solution.
 - (g) Wishing all the best to all and thanking everybody for your contribution in this discussion.

Vote of Thanks

56. Dr Sangeta Jadhav and Director thanked Chairman and all members for their valuable contributions.

Welcome Address

2. The meeting started with a welcome address and introduction of all dignitaries by Director AIT. He mentioned that last GBM was held on 17 Jun 2021.

Discussion on Previous Agenda Pts

- 3. Agenda Point 1: Introduction of ME (Data Science) Course in Comp Engg. The Director intimated that based on the decision taken during the last GB meet, the proposal was submitted to AWES, AICTE and SPPU. The proposal has been accepted by all concerned and very recently ie on 15 Sep 22, DTE, Maharashtra too has has given the final approval. The course is being launched in AY 2022-23.
- 4. Decision. Decision of previous GBM was endorsed.
- 5. Agenda Point 2: Closure of ME (Engg Design) Course of Mech Engg. While during the previous GBM it was decided that the course be continued for one more year (i.e AY 2021-22), and if a few army candidates take admission it may be continued. However, the Director intimated that post the GBM, efforts were made to admit more candidates. However only one civilian candidate was admitted for AY 2021-22 (and no army candidate). In view of the above AWES had also asked AIT to apply for closure. Accordingly, AIT had applied for closure of the course and closure has been approved by all concerned.
- 6. <u>Decision</u>. The decision for closure of the program was endorsed by the members.
- 7. Agenda Point 3: Exploring Option to Convert one Division of E&TC (60 Students) to E&CE. The Director mentioned that in the previous meet, most of the members were of the opinion that there was no need to change the nomenclature as there would be adequate demand for the core Electronics and Telecom program with implementation of 5G, Govt push for indigenous manufacturing of chips, ICs and high tech electronic devices. The GBM had resolved to maintain status Quo.
- 8. <u>Decision</u>. Status quo be maintained. Director AIT mentioned that the placements of E&TC are excellent and on the upswing, validating the decision.

Discussion on Agenda Points of This GBM

9. Agenda Point 1: Academic Growth Plan Submitted to AWES. Director explained the background behind preparing the new "Academic Growth Plan". AWES now wants to expand the reach and double the capacity of each of its 12 HEIs under AWES umbrella. This new initiative is aimed at making these institutions more viable based on principle of "Economy of Scales", as also to meet inspirations of larger population of army wards. AIT being the most popular and successful HEI of AWES, is required to take a lead. AIT also has adequate space for additional infrastructure. The Director displayed the short term (upto AY 2024-25), Medium term (upto AY 26-27) academic growth plans. Out line of Long Term Plans was also briefly touched upon.

10. Discussion on Various Aspects of Growth Plan.

- (a) <u>Skill Oriented Certificate Courses</u>. While appreciating the initiative, Mr Unnikrishnan intimated that there is a demand from industry for such skills. He was in agreement with all the proposed skill courses displayed. He recommended that trained trainers certified by Skill Development Council of the Govt should be employed for these courses. The Director informed that some of the faculty members of AIT have undergone such certification program for IoT certification. The Chairman suggested that a proper demand survey amongst the environment be carried out before launching such courses.
- (b) <u>Integrated Courses</u>. Discussions also took place about the integrated (BE + ME, BE + MBA) courses and the members were of the opinion that such courses are likely to be more popular than regular ME courses. As such students don't have to appear for GATE entrance test and they save one year of PG.
- (c) R&D and Research Funding. Mr Unnikrishan drew attention to the fact that the R&D footprint of the institute needs to be enhanced substantially. He suggested that AIT should explore if it can apply for the Department of Science and Technology "FIST" (Fund for Improvement of Science and Technology) funds, where up to Rs 50 Lakh are provided to improve labs and research infrastructure. He further suggested that adequate incentive scheme including R&D performance based career progression be instituted for the faculty. Mr Unnikrishnan also mentioned that in all good institutions including IIT Bombay, VNIT etc, the Alumni contribute substantially in developing R&D labs, incubation centers etc. AIT alumni who have been successful also should donate for such development in their alma mater.
- 11. Mr Unnikrishnan also brought out the requirement of maintaining the requisite teacherstudent ratios along with increasing student strength. The Director clarified that these norms will be strictly followed.

Decision. The proposal was endorsed by the members of GBM.

Referring to the earlier endorsed Academic Growth Plan the Director placed the proposal for increase of one division (60 students) under IT Branch. He intimated that two options viz increasing intake in existing programs of BE (IT) or starting a new program BE (AI & ML). Majority of the members opined that at UG level a broader based subject should be pursued as compared to a specialized subject. This gives more career options for the students. Students interested in AI & ML can undertake "honours course" or various certifications which are available. As such the IT curriculum has adequate coverage of AI & ML. The Chairman also mentioned that students taking up BE(AI & ML) as a degree course, aspiring to join defense forces as tech graduates may not be able to do so, as BE (AI & ML) has not been included by Army HQ as an eligible degree. In view of the above proposal to start a new division under BE (IT) program was considered best option.

Decision. The proposal to start a new Division under BE (IT) program was endorsed.

College Update

- 13. <u>College Update.</u> Director gave the college update of important events, achievements and progress of AIT over last one year. These included the following: -
 - (a) <u>Selection of Joint Director</u>. Col MK Prasad (Retd) has been appointed as the new Joint Director on retirement of Col KE Vijayan. He Joined 02 Aug 2021
 - (b) AIT Student Startup "Xefficient". This startup was launched by students of 2021 batch and incubated by AID. It was awarded Certificate of Recognition by Dept for Promotion of Industry and Internal Trade (DPIIT) under Min of Commerce and Industry. This is based on the idea of an efficient "Verticle Axis Turbine".
 - (c) <u>Dare to Dream 2.0 DRDO Pan India Innovation Contest</u>. Mr Pitambar Panda, BE Mech was awarded merit certificate for "EXNOS WIND TURBINE" in Defence Sector by Hon'ble Defence Minister in Jun 2021. This is the same product of "Xefficient".
 - (d) <u>ELECTRUN (AIT Startup) Story in "ThestoryWatch"</u>. The success story of AIT student startup "Electrun" figured in online magazine "ThestoryWatch". This is another student start up involved in converting old two wheelers to electric vehicles.
 - (e) Research Grant from NSCS. A project proposed by AIT in collaboration with FT 42 Labs was awarded a research grant of Rs 7.46 Crores, by National Security Council Sectt in July 2021. The research project was titled "System for Secure Fine-Grained Access Control and Authorization of Digital Assets and Operations". The project is being implemented in three phases and is in Ph 2, wef Jul 22.
 - (f) <u>IIC Annual Performance 2020-21</u>. AIT got 4 Star rating from MIC of Ministry of Education in AY 2020-21. Hoping to get 5 Star rating this year.
 - (g) <u>Physical Opening of College</u>. Post relaxation of COVID restrictions, Physical working of college commenced fully, wef 07 Mar 2022.
 - (h) AICTE Approval For ME (Data Science). AICTE, SPPU and DTE approval for starting ME (Data Science), 24 seats obtained. Concurrently approval to stop ME(Engg Design) was also obtained.
 - (j) National Assessment and Accreditation Council (NAAC). NAAC Peer Team visited AIT on 27 & 28 Apr 2022. However, AIT was downgraded to B+ from A. due to perceived incomplete documentation. AIT had appealed against the decision but was rejected. AIT will reapply for upgradation in 2023 and is confident to get at least A.
 - (k) <u>National Board of Accreditation Assessment (NBA)</u>. Compliance visit of Comp Engg Program carried out on 19 Jun 2022. Comp program has got the compliance certificate. Expert committee visit for review of E&TC, IT and Mech NBA certification was conducted from 16th to 18th Sep. The team was visibly impressed and they conveyed the same during their interaction. We expect good outcome.

- 14. New Infrastructure Development Post Jul 2021. Director also gave an overview of the new infrastructure development post Jul 2021 which includes the following: -
 - (a) <u>Additional Pre-Fab Hostel Rooms</u>. Hostel accommodation for 110 students created. Additional accommodation for 33 (Capt Gurbir Singh Hostel) was also under construction.
 - (b) <u>EV Lab.</u> New EV Lab has been constructed and kitted. Students have started doing some good projects. Financial aid of approx. Rs 10 Lakh was given by widow of Lt Col Suhas Gogate.
 - (c) <u>Waiting Room for Students, Parents and Guests.</u> This has been created opposite Adm Office.
 - (d) Renovation of IT Dept Library. Complete reconstruction of this library cum conf room has been carried out. Earlier structure had developed defects.
 - (e) <u>Expansion of Open Air Dining Hall.</u> A new Open Dining hall for students in the boys mess complex created. Will have a capacity of over 250 students.
 - (f) <u>Smart Classroom in Each Dept.</u> Total six classrooms, where hybrid teaching can be conducted were created to meet the requirements of COVID times. Will be useful in future in conduct of hybrid workshops, seminars and FDPs.
 - (g) Rain Water Harvesting. This project which took over three years of work has been completed in Jul 2021.
 - (h) Renovation of Staff Quarters Under Progress, This is an ongoing process as many old quarters require renovation and repairs.
 - (j) Renovation of Toilets. All the toilets in the academic block need major renovation. Already 8 toilets have been renovated and two more are in progress.
 - (k) Obstacle Course and Gym. A new SSB obstacle course for practice by students and renovation of both boys and girls gym has been carried out.

Remarks from Prof Hemant Abhyankar

15. Prof H Abhyankar, who attended the meeting online from Canada complimented AWES for choosing committed and right candidates as Directors of AIT over the years. He provided very important inputs related to way ahead, for AIT. As per him, AIT should accelerate its expansion plans, and look at taking it's intake from 360 to 1000 at a faster pace. He highlighted the need for developing research environment, and suggested that necessary help and collaboration of CME & DIAT be taken to foster the same. He further suggested that every teacher must show some research output and their career progressions must be linked with the same. Prof Abhyankar stressed on the need for having PhD centers in each branch/ Dept as there will automatically enhance the scale and quality of research. In case Masters Programs need to be started either in direct or integrated form, the same can be done, and to make them viable some seats be offered to civilians also. Prof Abhyankar highlighted that academic Autonomy is the base for any institution to grow and improve its research footprint. This has been proven globally. Prof Abhyankar also asked the management to pitch for various grants, as also seek support from DRDO organizations. With 3 such DRDO labs in Pune, AIT can always get few projects and/ or research grants from them. Prof Abhyankar wished all the Best to AIT for executing the proposals approved.

Closing Remarks by Patron, AIT

16. The Patron thanked all GBM members and especially Prof Abhyankar, who joined online all the way from Canada in the early hours of morning. The Governing Body is the critical body in preparing, monitoring and executing the road map for AIT. He reiterated the importance of Research and innovation which is essential not only for rankings but overall growth of AIT. AIT has already been included as technology hub by the Army technology node of Southern Comd. If new startups are of any help to defence ecosystem, the The Patron was sanguine that this academic growth plan and infrastructure will get approved and implemented. The Patron also suggested that AIT should start thinking of establishing a wing colocated with ALC Kanhe which is an ideal place for second campus. He thanked everyone for being present and contributing effectively in the discussion. On being suggested by the Director AIT that GB meetings should be held every six months, he mentioned that six months

Vote of Thanks

17. The Director thanked the Chairman and all other members for their valuable contributions.

Dighi Hills, Alandi Road, Pune 411015 Department of Mechanical Engineering

Date:- 23/02/2023 Time:- 3.30- 5-30 p.m.

Venue:- Departmental Library

Interaction of Director ,Joint Director & Principal

Minutes of Meeting

The interaction meeting of Departmental faculty and staff, Mechanical Engg, with Director, Jt Director and Principal was held on 23rd Feb 2023. Attendance sheet is attached separately.

Meeting started at 3:30 pm with welcome to Director, Jt Director and Principal by HoD Mech.

Principal:

- 1. Appreciated efforts taken by each individual in NBA. Detail observations of NBA committee shared with HOD and faculties. Exercise SWOT analysis. Prepare micro plans for improvement.
- 2. He advised to rigorously carryout internal audit. Asked staff members to suggest changes/modifications in internal audit formats, if any. IQAC team planning to carryout External audit.

3. AIT needs improvement in Research, consultancy and Funded projects.

- 4. It is mandatary for faculty members to give due credit to AIT in publication of research papers, research proposals etc.
- 5. While applying for reimbursement of registration fees (Conference), plagiarism report is required to be attached.

Director:

- 6. Malpractices/unethical practices followed by students in examinations-Counselors must advise such students to refrain from such behavior.
- 7. Principal to formulate rules to improve student's attendance.
- 8. Bottom up approach: suggestion from staff through HOD to the management would be helpful for speedy progress of the institute.
- 9. Individual plans must align with departmental plan.

HOD:

- 10. Teaching learning process is of paramount importance when compared with extra and co-curricular activities.
- 11. The department has already submitted of reasearch proposals to SPPU.
- 12. The department is planning to conduct of week lecture series on 'Research Opportunities in Mechanical Engineering' tentatively in the month of April.

Joint Director:

- 13. Motivated all the staff members to reach out to him If any administrative issues is not fixed in stipulated time.
- 14. Clarified the stand of the management on salary related issues.
- 15. Referred recent sad demise of Mr Sachin Ghag, and conveyed that there should be no hesitation in approaching him in case of such emergencies and issue will be tackled very efficiently at institute level.

Dighi Hills, Alandi Road, Pune 411015 Department of Mechanical Engineering

Faculty and Staff:

Each faculty and non-teaching staff reported their achievements in last semester and plans for next 6 months.

Director appreciated the efforts of staff and their projection for the next six

Meeting concluded with formal vote of thanks by HoD (Mech)

		report is also included along with the academic feedback forms. 3. The report should be submitted to the IQAC for further action	
2.	Attendance	The first day attendance record of TE and BE students were shared by all the HsOD. The list of not reported students to the class was also shared by all HODs. The Principal has been asked to prepare action plan to improve attendance.	Principal and HsOD
3.	Uploading of marks on SPPU portal	All HODs confirmed about the uploading of SE term work, practical and insem marks on SPPU portal by all faculties.	
Ne	ew Agenda Points-		
4.	Feedback Implementatio n on ERP	The feedback forms were submitted to the ERP incharge for its final implementation. It was also decided to take the feedback of sem II of current academic year on ERP using new formats. Principal also instructed to share the new format of academic feedback with all HsOD. The HoD IT informed that a meeting is scheduled with the ERP vendor for the detailed discussion and its final implementation.	HsOD IT and ERP incharge to comply.
5.	Internal Audit Status	 Internal audits of all the departments were conducted as per the schedule given by the principal The audit of the ASGE department was pending due to the unavailability of the internal auditors. The Director informed that after the internal audit, the audit report should be submitted by the auditors to the Principal. Based on the audit report an analysis report should also be prepared and submitted to IQAC. 	Principal and IQAC coordinator.
6.	External Audit Plan	 HOD E&TC said that the external audit form should be in line with the internal audit form. All the members agreed with the said point. The IQAC also proposed the following points for conducting the external audit: a. This audit should be conducted once in a year at the end of Sem-II of the academic year. 	IQAC Coordinator along with other committee members to design the external audit forms. Principal to guide the IQAC team.

Director: 7249250115, Joint Director: 7249250117, Principal: 7249250186

Exch: 7249250183, 7249250184, 7249250185

		b. The external Auditor appointed must be
		from other reputed College/University.
		c. At least one or two Auditors should be
		appointed to conduct the External
		Academic Audit.
		d. A proper fixed amount can be decided
		as remuneration for the external
		auditors.
		e. After the audit a copy of certificate to be
		submitted to Institute IQAC.
		f. Remarks and suggestions by the
		auditors should be taken into
		consideration and proper action
		should be taken accordingly.
		4. The IQAC also suggested that a department
		level IQAC comprising of HoD and three senior
		faculties from the department must be
		appointed (D-IQAC) for the proper functioning
		at departmental level.
		5. All the HsOD agreed with the point.
		6. IQAC proposed that the Head of the
		Department should submit the SWOC Analysis
		along with Internal and External Academic
		Audit Reports.
7.	Administrative Audit Plan	 IQAC proposed that for the proper and smooth conduct of Academic/ Administrative Audit (AAA), NBA and NAAC Co-ordinators of college should be appointed to prepare the road map and SOP of audits. NBA Co-ordinators NBA Co coordinators NAAC Co-ordinators The Director also informed the IQAC coordinator to add Registrar and Office Superintendent also as member of AAA committee. The Director informed that the administrative audit
		form should also be framed for the proper audit of all the administrative sections.

8.	Updated
	Departmental
	Target/ Goals

The IQAC coordinator, Dr. Seema Tiwari proposed the following points/targets/goals:

- From point no 1, Enrichment of Curricular Aspects it was suggested by all HsOD to merge add on courses and value added courses.
- 2. The target was revised as one add on course by each FE and SE student.
- Each student should complete at least two MOOC courses till final year.
- 4. Each faculty should complete one MOOC every year or two week STTP.
- Till third year more than 50% students should complete internship and 100% students must undergo internship till final year.
- 6. From point no 2, Teaching, Learning, and Evaluation it was decided to set the following target for the all clear result of all years as follows:
 - a. BE-100%
 - b. TE-90%
 - c. SE 90%
 - d. FE-80%
- 7. It was set to target 100% students scoring more than 9.0 CGPA in Final year but all the members agreed for 8.5 CGPA. If the target is achieved in current academic year then the level can be reviewed to 9.0 CGPA.
- 8. Target for at least one University rank holder from each department every year.
- 9. The total number of PhD faculty should be 50% in each department.
- 10. The total number of PhD guide should be 50% of the total PhD faculty of department.
- 11. The total number of faculty invited as resource persons should be 50% or more of the total faculty of department. The Dean R&D, Dr. Surekha KS told that if institute is organizing any event at University/State/National/Internal level then the AIT faculty invited as resource person should be considered.
- From point no 3, Research, Innovation, and Extensions it was decided that each faculty must

Principal and all HsOD. Monitoring and analysis will be done by Dean R&D and IQAC.

9.	Department interaction with Director and Principal	publish at least one quality publication (SCOPUS/Web of Science/ SCI only) each year. 13. It was decided that four patents (filed/published/granted) per department. 14. It was decided that one workshop/STTP/FDP must be conducted for faculty every year by each department. 15. It was decided that at least two workshops/ seminars must be conducted for students every year by each department. 16. Amount of sponsored research projects must be more than 20 Lacs by every department. 17. Each department must promote for atleast one startup and consultancy upto 5 lakhs. 18. From point no. 5, Student Support and Progression it was suggested by Director to include placement percentage only. The target set was 98%. 1. The Director told the Principal to prepare a schedule for departmental interaction and HoDs will present departmental growth plan of last semester and future plan.	Principal and HsOD
		The Principal suggested that all HoDs will present at least one best practice from their department.	
10.	Other points	 The Principal instructed to all the HoDs to get issued college letter head from central store and keep its accountability. The Principal also instructed all the HoDs that the genuine cases of student leave should be recommended and forwarded for approval. 	All HsOD

IQAC AND HOD MEETING HELD ON 06TH OCTOBER 2022

MINUTES OF MEETING

1. The meeting was attended by following IQAC Internal committee members-

Director - Brig Abhay Bhat (Retd.) - Chairperson Joint Director - Col M K Prasad - Member

HOD E&TC - Dr. G R Patil

HOD Comp - Dr. S Dhore - Member

HOD IT - Dr. S Jadhav - Member

HOD ASGE - Dr. S A Kulkarni - Member

Dean R&D - Dr. Surekha - Member

IQAC Coordinator - Dr. S Tiwari -Member

NAAC Co-coordinator- Dr. Sushma Patil -Member

Project Officer - Mr. R Patil -Member

TPO - Mr Manoj Khaladkar - Member

2. IQAC Coordinator Dr. S Tiwari welcomed all and discussed points are mentioned below-

Sr. No.	Point for action from last meeting	Progress
1	Feedback form for students	Dr Sushma Patil and Prof Nikita presented the points considered in the new academic feedback form and following suggestions were given by members- a) Feedback on curriculum should be taken from all year students. b) Feedback on syllabus and its transaction should be added.

Director: 7249250115, Joint Director: 7249250117, Principal: 7249250186

Exch: 7249250183, 7249250184, 7249250185

Website: www.aitpune.com Email: ait@aitpune.edu.in

Recognised by AICTE and DTE Maharashtra and affiliated to Savitrabai Phule Pune University

2	Internal Audit	c) If students disagree with any point from the feedback or give less than average grade, they must give reason. Dr S Tiwari displayed the schedule of internal audit for AY 2021-2022. Principal also suggested to conduct external audit for AY 2021-2022.
	New Points-	All HsOD were requested to do the needful.
3	Tentative schedule of alumni meet	TPO, Prof Khaladkar informed the tentative schedule of alumni meet i.e on 3 rd Dec 2022 and said that time will be fixed soon.
4	Format of Target to departments	 Dr S Tiwari discussed the format of target for departments and following suggestions were given by members- a) Number of MOOC Courses developed by faculty members should be added in Criterion 2 b) Add SGPA of student result for all years. c) Only quality publications should be considered in Criteria 3 d) Consultancy amount should be included in the Criteria 3 e) In IPR, monetization should be included f) Faculty participation as resource person in national/international FDPs, conference, etc should be included. g) Sponsored labs to be added in Criteria 4. Director suggested that after consideration of above points target format should be circulated to all departments. IQAC Coordinator and Principal will do the needful.
5	AQAR & SSR Status	 Dr. Tiwari informed about completion status of AY 2020-2021 AQAR & tentative schedule for data collection of AY 2021-2022 AQAR.

Director: 7249250115, Joint Director: 7249250117, Principal: 7249250186

Exch: 7249250183, 7249250184, 7249250185

Website: www.aitpune.com Email: ait@aitpune.edu.in

Recognised by AICTE and DTE Maharashtra and affiliated to Savitrabai Phule Pune University

		Tentative road map to be followed for SSR 2023 completion was discussed.
6	Syllabus completion status and undertaking status of defaulter students.	 Dr S Dhore presented the syllabus completion status and undertaking status of defaulter students of Comp Dept. Dr GR Patil presented the syllabus completion and undertaking status of defaulter student's status of E&TC Dept. Dr S Jadhav presented the syllabus completion status and undertaking status of defaulter students of IT Dept. Dr UV Awsarmol presented the syllabus completion status and undertaking status of defaulter students of Mech Dept. Principal told the IQAC Co-ordinator to collect syllabus completion status from all Departments.
7	AIT Day celebration	Director informed that this time college is planning to call Chief Of Army Staff (COAS) on AIT Day 2023 and details will be shared in next IQAC meeting.
8	Storage of NAAC related Institutional data	Director instructed to NAAC Co-ordinators to store all NAAC related data on NAS. Dr Tiwari asked co-ordination by HOD Comp for central storage of data criteria wise and year wise.

Dighi Hills, Alandi Road, Pune 411 015

Minutes of Meeting of 8 Feb 23 at 4.00 pm Venue: CS Lab Department meeting was conducted on 8 Feb 2023 at 4.00pm in CSL Lab and attended by all faculty & Staff. Following points were discussed:

i) Academic Calendar, Time table

ii) Roll call, Elective list, Counseling

iii) New ERP

iv) BE Project status & review.

v) Non reported student status

vi) NBA report compliance

vii) Academic Audit

viii) Targets of IQAC

ix) Interaction meeting and Best Practices

x) Budget status & Procurement

xi) Any other point

S#	Description	Action/Info
1.	Academic Calendar, Time table, Preparation of Course File, Course Outcomes, Conduct of Tests/Assignments etc.	All faculty
	Dr G R Patil, HoD E&Tc told to prepare course file, COs, CO-PO mapping, make schedule for tests and assignments, arrange guest lecture, workshops, industrial visit etc.	
2.	Roll call, Elective list, Counseling Dr G R Patil, HoD E&Tc requested all class teachers to finalise the batch wise list. He also requested counselors to conduct one on one session with each student and update their information. Problems if any should be reported immediately in writing. He told to monitor attendance of their mentees.	All Class Teachers & Counselors
3.	Dr G R Patil, HoD E&Tc told, new ERP is operational and all should update their profles and data.	All faculty
4.	BE Project status & review. Dr G R Patil, HoD E&Tc requested all project guides to call students every week and monitor their progress. He told project coordinator to arrange review-3 of Be projects	All Project guides & Project Coordinator
5.	Non reported student status Dr G R Patil, HoD E&Tc requested all class teachers to inform parents of non-reported students and make them aware of detention rule.	All Class Teachers
6.	NBA report compliance Dr G R Patil thanked all for excellent efforts taken by faculty and staff before and during NBA visit. He requested NBA coordinators to prepare action plan for NBA report complince. Respective criteria in-charges to plan for the same.	All faculty, staff and NBA Coordinators
7.	Academic Audit Dr G R Patil requested Dr SD Oza and Ms Rajashree C to prepare the documents for academic audit.	Dr SD Oza and Ms Rajashree C
8.	Targets of IQAC Dr G R Patil informed that IQAC has set some targets for department which we should try to achieve through our sincere efforts.	All faculty & staff

Dighi Hills, Alandi Road, Pune 411 015
Department of Electronics & Telecommunication Engineering

Minutes of Meeting on 21 Feb 23 at 3.30 pm Venue: Communication Eng Lab
Department Interaction Session with Teaching and non teaching staff with Director,
Joint Director and Principal was scheduled on 21 Feb 2023 at 3.30 pm in
Communication Eng Lab and attended by all faculty & Staff. Following points were
discussed:

S#	Description	Action/Info	
1.	Principal Congratulated all faculty and staff for NBA result and discussed about area of improvement in the Department and suggested to focus on Research and consultancy. He discussed about 1. Internal and External Audit 2. new feedback system, 3. patent, copyrights and publications must include the name of Institute. Plagiarism report must be attached with paper. 4. Proper prior permission must be taken for attending workshop, seminar etc. Forms are available on Website. 5. Director and Principal will visit theory classes and practical labs. 6. For improvement in the Department Faculty should give their suggestions to HOD. 7. Set target at Institute level and Individual goals/plans. 8. It is observed that Copy cases of students are increasing. Counselors should take responsibility.	All faculty & Staff	
2.	All faculty explained their individual plans for next six months.	All faculty	
3.	Dr G R Patil, HoD E&Tc explained Departmental plans for next six months. 1. Modernization of labs and equipment's i.e. basic Electronics Lab & Computer Systems Lab. 2. Renovation of 2 Staff Rooms and 2 Labs. 3. Promoting Inter disciplinary Activities. 4. Long term Internship. 5. Starting Certificate Course. 6. Submission of one R&D proposal. 7. Conducting one FDP/STTP. 8. One Industry Project/Industrial Visit. 9. Consultancy work Worth Rs.50,000/-HOD also discussed about NBA comments.	All faculty & staff	

Dighi Hills, Alandi Road, Pune 411 015

Department of Electronics & Telecommunication Engineering

S#	Description Description		
10.	Joint Director discussed about 1	Action/Info	
	Joint Director discussed about administrative Issues. He told that proper procedure to be followed for purchase of items.	All faculty & staff	
	He informed that 7th CPC is implemented for all regular staff and arrears are paid. Any discrepancies to be brought to the notice in writing.		
	He also told that in case of any medical assistance while on duty should be immediately conveyed through dept and principal to administrative office.		
	He told if students are going out for any visit some staff should accompany them.		
11.	Mr J B Jawale told out that classrooms are becoming uneasy to sit for students due to rise in temperature. He requested for some arrangement to make them more comfortable.	- 10	
# .	He also pointed out that Parking space is occupied for Furniture work. Joint Director requested to suggest new location for parking.		
	Mr Girish Kapse suggested that technical lectures to be organized at college level. He also requested to forward Teaching load of Dept to Principal.		
	Mr Sandeep Bidwai Asked about consultancy related procurement. Director told the procurement will follow proper procedure and can be done based on its ROI.	acon

MOM Departmental Meeting on 2nd September 2022.

Agenda: -Director address about the attendance of BE students and the upcoming NBA Visit.

The following points are discussed during the meeting.

About the attendance of the BE students:

- 1. 90 % attendance is necessary for BE students
- 2. Violations of this condition will implant no leaves, no exam appearance and No Placement
- The counsellors of BE students will talk to each of the parents to enlighten them about current status of attendance and fees payment id not paid till date.
- If the counsellor is not able to connect/ communicate with parents then provide a report by Monday 5th of September 2022.

About the upcoming NBA visit

- 1. Need 5 parents/alumni (no restriction on the number) for an NBA visit from the department.
- 2. Prof. Dorlikar suggested to contact Mr. Ravi who is alumnus of the department.
- Sunday 4/9/22 and Saturday 10/9/22 are working in view of upcoming NBA visit to finish the remaining work.
- Dr Phalle (NBA expert) will be visiting on the 6th of September 2022, to guide about the NBA visit. It
 was decided that the important points should be discussed with Dr Phalle in first half.

Other points

- 1. Service books and form 16 received from administration
- Data for the 7th pay fixation had been received and Dr JD Patil is working on it and 50% work has been completed. Need all details from each faculty member.

Interaction of Director , Joint Director & Principal

Minutes of Meeting

The interaction meeting of Departmental faculty and staff, Mechanical Engg, with Director, Jt Director and Principal was held on 23rd Feb 2023. Attendance sheet is attached separately.

Meeting started at 3:30 pm with welcome to Director, Jt Director and Principal by HoD Mech.

Principal:

 Appreciated efforts taken by each individual in NBA. Detail observations of NBA committee shared with HOD and faculties. Exercise SWOT analysis. Prepare micro plans for improvement.

2. He advised to rigorously carryout internal audit. Asked staff members to suggest changes/modifications in internal audit formats, if any. IQAC team planning to carryout External audit.

3. AIT needs improvement in Research, consultancy and Funded projects.

4. It is mandatary for faculty members to give due credit to AIT in publication of research papers, research proposals etc.

5. While applying for reimbursement of registration fees (Conference), plagiarism report is required to be attached.

Director:

 Malpractices/unethical practices followed by students in examinations-Counselors must advise such students to refrain from such behavior.

Principal to formulate rules to improve student's attendance.

8. Bottom up approach: suggestion from staff through HOD to the management would be helpful for speedy progress of the institute.

Individual plans must align with departmental plan.

HOD:

 Teaching learning process is of paramount importance when compared with extra and co-curricular activities.

11. The department has already submitted of reasearch proposals to SPPU.

The department is planning to conduct 01 week lecture series on 'Research Opportunities in Mechanical Engineering' tentatively in the month of April.

Joint Director:

13. Motivated all the staff members to reach out to him If any administrative issues is not fixed in stipulated time.

14. Clarified the stand of the management on salary related issues.

15. Referred recent sad demise of Mr Sachin Ghag, and conveyed that there should be no hesitation in approaching him in case of such emergencies and issue will be tackled very efficiently at institute level.

Dighi Hills, Alandi Road, Pune 411015 Department of Mechanical Engineering

Faculty and Staff:

16. Each faculty and non-teaching staff reported their achievements in last semester and plans for next 6 months.

17. Director appreciated the efforts of staff and their projection for the next six months.

Meeting concluded with formal vote of thanks by HoD (Mech)

Dr Umesh V Awasarmol

Professor & Head, Mechanical Engineering

Pr & Her Department of Mechanical Army institute of Technicay Tune - 411015.

Minutes of Meeting

Subj: Result of SE Mech Class

Meeting Teachers for SE and TE (Mech) Subjects was called by HOD (Mech) on 11.4.2023 at 4.00 pm to discuss the reasons remedial measures to improve the understanding of the subject and subsequently the results.

Following observations were expressed majority of teacher,

- Current SE Batch did its twelfth in Pandemic online mode hence their basics are not sound.
- 2. Year on Year Mechanical Engineering is opted by students of lower merit in AIT.
- 3. SPPU results for SE (Mechanical) are far inferior as compared to AIT probably AIT is the best in results based on available information.
- 4. Attendance of these students during this semester was not at all satisfactory.

Following remedial measures are being initiated by the department

- Class meeting with subject teachers will be arranged next week to counsel and motivate the students for betterment in attendance and results.
- b. Concerned Teachers will conduct remedial lectures ONLINE/OFFLINE mode before examination (Central Time table will be prepared and implemented)
- c. Students will be told to write solutions to last year question papers.

Deparent of Mechanical Army institute of Technicagy Pune - 411015.

Promotion case of non-teaching staff

Date: 19-10-2022

To, The Director Army Institute of Technology Dighi Camp Pune- 411015

Through Proper Channel

Subject: Promotion to the post Technical Assistant.

Respected Sir,

I, Mr. Raghu Babar, have been working as a lab assistant Physics in ASGE department. I would like to submit the following for you kind consideration.

 I have been working as Lab Assistant physics since July 2010. Following are the duties I have been performing:

I. Physics Lab

- As a lab assistant in physics lab I assist in setting up the experiments, taking pilot readings, leveling equipment, doing minor repairs in the laboratory, ensuring lab is properly maintained etc.
- ii. Besides the above I also assist with clerical work of staff in physics lab like typing question banks, writing roll numbers in yellow and blue books, helping in making videos for students, conducting weekly tests, purchase of instruments, yearly stock taking etc.

II. Departmental (ASGE) Level

- Preparing term work roll call list mapped to students exam no for all FE. This is used for filling TW and Insem marks.
- ii. Result Analysis of FE Students.
- iii. Helping in conduction of Insem exam, prelim exam and Invigilation.
- iv. Keeping record of scholarship and helping students for filling forms of PMS, Pragati etc.
- v. Compiling soft skills refund list with students' verified bank details.
- vi. Look into maintainence of classrooms under ASGE.
- vii. Result compilation and entry of students mark list in excel. This data is used for NBA, NAAC and other ranking agencies.

III. College Level

- i. Help in FE admission process by:
 - a. Attending the calls regarding admission queries and prospectus.
 - b. Clearing doubts of Students and Parents in filling the AIT form.
 - c. Downloading JEE result.
 - d. Help in preparation of AIT merit list.

CHAPTER - 5

CODE OF CONDUCT FOR FACULTY

General

- 81. A person who chooses teaching as a career, assumes the obligation to conduct himself or herself at all times in accordance with the highest standards of the teaching profession, aiming at quality and excellence in work and conduct, setting an example which will command the respect of the pupils, the parents and colleagues.
- 82. Teaching, in its true sense, is not mere instruction but influence. The lecturer's duty is not merely to communicate knowledge in specific subjects but also to help students grow to their fullest potential and unfold their personality. In this responsible task what matters most is the personal example of the lecturer.

Code of Conduct

- 83. Code is laid down for the guidance for faculty of the AWES Professional Institutes:-
 - (a) Every faculty member shall by precept and example, instil in the minds of the pupils entrusted to his/her care following values:-
 - Values of patriotism.
 - (ii) Respect for law and order.
 - (iii) Feeling of universal brotherhood and tolerance for all religions.
 - (iv) Spirit of co-operation and social service.
 - (b) Every faculty member has an immense responsibility towards pupils. He/ she must: -
 - (i) Be impartial in his/her relations; be sympathetic and helpful to slow learners.
 - (ii) Aim to improve physical, mental and moral well being of pupils leading to overall personality development.
 - (iii) Ensure that pupils do not take part in active politics.
 - (iv) Promote freedom of thought and expression coupled with discipline and dignity.
 - (c) Every faculty member should be above board in his/her personal conduct. He/She should: -

- (i) Be temperate and sober in habits. He/she should scrupulously avoid chewing of betel leaves, smoking and such other undesirable habits in the presence of students and within the precincts of the institution.
- (ii) Have an exemplary moral character. His/Her dealings with the members of the other sex in the institute or outside it, should not be such as would cause reflection on his/her character or bring discredit to the Institute.
- (iii) Be neat & clean and dressed in a dignified manner.
- (iv) Abide by the rules and regulations of the Institute and show due respect to the constituted authority and diligently carry out instructions issued to him/her.
- (v) Be punctual in attendance and all work related to class work and any other work or duty assigned to him/her by the Principal.
- (vi) Consider institute property and funds as if placed in trust with him/her and shall exercise the same prudence and care, as he/she would do in respect of his/her own property or funds.
- (vii) Promote dignity and Solidarity of his/her profession.
- (viii) Be polite and courteous towards parents and guardians.
- (d) A faculty member must Not : -
 - Divulge confidential matters related to the institution.
 - (ii) Be a member of any political party or indulge in activities either openly or in camera in support of any such party.
 - (iii) Be a member of the State or Central Legislature. He/She shall resign his/her job before standing for election as a candidate.
 - (iv) Indulge in or encourage any form of malpractice connected with examinations or other institute activities.
 - (v) Undertake private tuition of students of the institute. Extra coaching organised in the institute campus after the institute hours will not be considered as "Private Tuition"
 - (vi) Engage himself/herself in any commercial activity or as a selling agent/ canvasser for any publishing firm or trader in institute campus.
 - (vii) Represent his/her grievances if any, except through proper channel, nor will he/she canvass any non-official or outside influence or support in respect of any matter pertaining to his/her service in the institute.

(viii) Accept or permit any member of his/her family or any other person acting on his/her behalf to accept any gift from any pupil, parent or any person with whom he/she has come into contact by virtue of his/her position in the institute.

Notes

- The expression "gift" shall include free transport, boarding, lodging or other service or any other pecuniary advantage when provided by any person other than a near relation or personal friend having no official dealings with him/her.
- A casual meal, lift or other social hospitality of a casual nature shall not be deemed to be a gift.
- On occasions, such as weddings, anniversaries, funerals or religious functions when the making of a gift is in conformity with the prevailing religious or social practice, a lecturer may accept gift if the value thereof does not exceed Rs 500/-.
- (ix) Ask for or accept contribution to or otherwise associate with the raising of any funds or other collections in cash or in kind in pursuance of any object, whatsoever, except with previous sanction of the competent authority.
- (x) Discriminate against any student on the ground of caste, creed, language, place of origin, social and cultural background or and any of them.
- (xi) Neglect in correcting assignments or neglect other duties assigned to him/her by the institute.
- (xii) Remain absent from the institute without leave or without the previous permission of the head of the institute.
- (xiii) While being present in the institute absent himself/herself (except with the prior permission of the principal) from the class which he/she is required to take/attend.
- (xiv) Practice or incite any student to practice casteism, communalism or untouchability.
- (xv) Cause or incite any person to cause any damage to institute property.
- (xvi) Propagate through his/her teaching lesson or otherwise, communal or sectarian outlook or incite or allow any student to indulge in communal and sectarian activities.
- (xvii) Behave or encourage or incite any student, teacher or other employee to behave in rowdy or disorderly manner in the institute premises.

- (xviii) Be guilty of misbehaviour or cruelty towards any parent, guardian, student, teacher or other employees of the institute.
- (xix) Organize or attend any meeting in the institute except where he/she is required, or permitted by the principal of the institute to do so.
- (xx) Carry out monetary transactions with the pupils and parents and/ or exploit his/her institute influence for personal ends.
- (xxi) Indulge in immoral activities.
- 84. The above code of conduct will also apply to Director, Principal and members of non-teaching staff of the institute.

85-90 Blank.

CHAPTER - 10

DISCIPLINE - STUDENTS

GENERAL

- 191. The affairs of the Colleges should be so conducted so as to promote self-discipline, values leading to healthy, dignified and orderly behaviour to build up traditions that add to the reputation of the college.
- 192. The observance of rules of discipline and good behaviour shall be a pre-condition to a student's continuance in the College. In the event of serious breach of discipline by a student, if the Principal is convinced that the continuance of the student in the College is likely to be detrimental to the general tenor or discipline of the College, he/she may be expelled from the College.

Code of Conduct - Students

193. DOs.

- (a) Be respectful to your parents, teachers, staff of the College and elderly citizens.
- (b) Be punctual.
- (c) Be neat, clean and correctly dressed.
- (d) Be humble in your success or victory.
- (e) Be truthful.
- (f) Take pride in yourself, your College, your Parents and your Nation.
- (g) Be courteous. Remember "Thank You" and "Please" are two very good words.
- (h) Be thankful to God for every thing that He has given to you.
- (j) Believe in yourself and have courage. Remember God is with you always and everywhere.

194. Don'ts.

- (a) Do not cause hurt by your words or deeds.
- (b) Do not be afraid to speak the truth or to accept a mistake.
- (c) Do not damage or disfigure property of your College.
- (d) Do not use abusive language.

63

of the

al

if the

- (e) Don't leave college without permission during office hours.
- (f) Don't report late after vacation.
- (g) Don't use mobile phones and music system in the class and during official functions
- (h) Do not look down upon those who are less privileged, weak or physically challenged.
- (j) Do not ill-treat animals or birds.
- (k) Do not mock or ridicule at someone's failure.
- (I) Do not be arrogant.
- (m) Do not copy or cheat.
- (n) Do not steal.

Forbidden Practices

- 195. No student shall indulge in any of the following practices:-
 - ∠ (a) Use of violence in any form.
 - (b) Sex related offences.
 - (c) Rude and disorderly behaviour.
 - (d) Smoking.
 - (e) Use of drugs or intoxicants.
 - (f) Obscene behaviour.
 - (g) Any form of gambling.
 - ∠(h) Spitting in or near the College building except in any spittoon provided by the College.
 - └(j) Bringing outsiders for interference in the college or to show 'Dadagiri'
 - (k) Casteism, communalism and practice of untouchability.
 - L(I) Immoral acts.
- 196. Any body found indulging in forbidden practices will be liable to strict disciplinary action.

ABOUT COLLEGE:

Army Institute of Technology, Pune (AIT) is founded in 1994, as a result of vision, and untiring efforts of Late Gen. B C Joshi PVSM, AVSM, ADC for the children of all ranks of the Indian. AIT Functions under the aegis of the Army Welfare Education Society (AWES) and is affiliated to Savitribai Phule Pune University (SPPU). AIT is ranked at No. 109 by NIRF in 2020 survey. AIT has been awarded the best professional college in 2016-17 by SPPU. AIT runs

Mech and PG course in Machine Design.

ABOUT DEPARTMENT:

The Department of Electronics & Telecommunication Engineering was established in 1994. The department strives hard to provide a very good learning experience to its students. The department has developed state-of-art equipped infrastructure, well laboratories, departmental library, and classrooms with modern teaching aids. The Department has Quality Intake, Experienced & Dedicated Faculty and Staff, Excellent Academic Results & Placements. Vision of the department is to become Centre of Excellence in state of art areas such as Embedded, Robotics & IOT.

ABOUT FDP:

Introduction:

This National Education Policy 2020 is the first education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education regulation of the education regulation is aligned with the aspiration of the education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education of the education

SDG4, while building upon India's traditions and education, including value systems.

maximizing our country's rich talents and resources for the good of the Universal high-quality education is the individual, the society, the country, best way forward for developing and continued ascent, and leadership on the global stage in terms of economic growth, social justice and equality, scientific advancement, national integration, and cultural preservation. Providing universal access to quality education is the key to India's Education is fundamental for achieving full human potential, developing an development. society, and and just national and the world. promoting equitable

Policy(NEP)-2020 and go beyond the faculty aware of the National Education The course is designed to make the specified academic curriculum to cover essential aspects of NEP- 2020.

EXPECTED OUTCOME:

will be able to have awareness about At the end of the FDP, the participants various aspects of NEP-2020 implementation.

TOPICS FOR SPECIAL FOCUS:

Indian Knowledge system

- Multidisciplinary න් education Holistic
- Academic Leadership, governance & Management
 - Student Diversity & Inclusion
- Higher Education and Society
- ICT Tools for teaching learning
 - Skill Development
- Assessment & Evaluation

RESOURCE PERSONS:

- Chief Mentor Mr. Vivek Savant, MKCL.
- Dr. Sandeep Mondal, Professor, IIT Bombay
- Dr. Ashutosh Marathe, Professor, VIT Pune.
- Dr. Atul Patil, Director, MITADTU, School of Holistic Development, Pune.
 - Dr. B.P. Patil, Principal, AIT, Pune.
- Dr. Madhavi Godbole, Principal-Incharge MITADTU, Pune.
- Mr. Rituparna Matkar, Program Manager Accops Systems Put.Ltd.

ELIGIBILITY:

Institutions and non-engineering AICTE Recognized institutes are only eligible to apply. from Faculty

GUIDELINES:

faculty Registration fees for outside AIT is Rs. 100/-

- before Candidate must register making online payment
 - Sessions will be conducted offline between 03:30 pm to 5.00 PM. On each day.
- Convener's decision will be final selection participants. regarding

PAYMENT METHOD:

transfer using NEFT/RTGS/IMPS/UPI QR Code will be send on email to the following account details for the fees registered participants. Or Use the

- Name of bank: ICICI bank Ltd.
 - Branch: Bhosari Pune.
- Bank Account: 215201000341
 - IFSC Code: ICIC0002152

Faculty Development Program

On

"NEP 2020 for Higher Education Institutes"

E-Certificate of Participation

This is to certify that

Dr. (Mrs.) Swati Kulkarni

has attended Faculty Development Program on" NEP 2020 for higher Education Institutes" organized by Dept. of E&TC Engineering, Army Institute of Technology, Dighi Hills, Pune, from 7/3/2024 - 18/3/2024.

Dr. G.R.Patil Convener, HOD(E&TC)

Dr.B.P.Patil
Principal,AIT

Brig.Abhay Bhat(Retd.)
Director,AIT

Grade	Percent Value
A+	85% and above
Α	70% to 84%
В	60% to 69%
c	50% to 59%
F (Fail)	Below 49%

Maidan Garhi, New Delhi -110068; http://www.ignou.ac.in

IG/STRIDE/MT/2024/STP-00251

CERTIFICATE

This is to certify that

Ms. MRIDULA CHANDOLA

Assistant Professor

of Army Institute Of Technology, Pune completed a UGC-Approved 6-day Short-Term Programme on "Design & Development of e-Content for Online Learning and MOOCs" held from 22-27 April 2024 and obtained Grade 'A+'

New Delhi; April 27, 2024

Dr. Manoj Tirkey Programme Coordinator Dr. Ram Chandra Programme Coordinator Prof. Santosh Panda Director, STRIDE

Grading Score System*

Grade	Percent Value
A+	85% and above
A	70% to 84%
В	60% to 69%
C	50% to 59%
F (Fail)	Below 49%

^{*}In accordance with UGC D. O. No. F.16-11/2021 (HRDC/IGNOU) date 10 March, 2022 granting approval to IGNOU-STRIDE equivalent programmes.

SINHGAD TECHNICAL EDUCATION SOCIETY

RMD SINHGAD TECHNICAL INSTITUTES CAMPUS

RMD Sinhgad School of Engineering, Warje, Pune.

NAAC Accredited with A++ Grade

One day workshop on "Implementation of NEP-2020: Teaching Learning Process" in association with Savitribai Phule Pune University

CERTIFICATE

OF PARTICIPATION

This certificate is presented to:

Mr./Ms./Mrs./Dr./Prof. Sachin Jan wade

has attended the workshop on "Implementation of NEP-2020: Teaching Learning Process", organized by Rasiklal M. Dhariwal Sinhgad School of Engineering, Warje, Pune on Monday, 13th May 2024.
