OFFICE OF PRINCIPAL

Library Book Reissue/Return and Fine

1. It is observed that due to the Corona pandemic lockdown, library users are not able to reissue the books online through the web OPAC of SLIM 21, as there twice reissue limit is over and fine for the late return of books is getting added to their account.
2. In this regard, it is informed to all library users that time period/limit of book issue/return has been extended till the end of the lockdown or college reopen. Hence it is not necessary to reissue the books. Library users should return the issued book whenever the college reopens.
3. Secondly, even though the book fine is getting added to your account, this fine won't be applicable during the lockdown period.
4. All are requested to take note accordingly.
